What a month of crazy weather we've had! Many days of 35+ degrees and then came the rain. And what a rain! I guess it really was a nice wintery downfall – **except it's the middle of summer.** Lovely full dams and tanks, lots of soil moisture. Apparently, that promises a good season. **Forgive me if I'm**

not convinced – there are 8 months to go before harvest starts. **Let's just get to October before we get too carried away!**

The rain has caused plenty of damage to roads both inside our local government area and outside of it. It may take many months for repairs to be made, although it will be a priority. Of course, those repairs will cost the Shire a lot of money. And while staff are concentrating on these repairs, **they are unable to attend to their "normal" projects.** So, although a plan has been made and a timetable in place, there is no telling if and when that will be back on the table. Please be patient!

In regards to the cost, we have available to us the Western Australian Natural Disaster Recovery and Relief Arrangements (WANDRRA) which is administered by the Office of Emergency Management, and which will aid in the restoration/replacement of essential public assets owned by the Local Government. The fund aims to restore these assets to their pre-disaster standard. There are a series of hoops which need to be jumped through, one **being that the disaster has to be a "declared" event,** another that the damage must exceed a cost to the State of \$240,000. Not all damage is eligible, nor is all of the repair work. Normal local government costs such as salaries and wages are ineligible for reimbursement under WANDRRA. To be eligible, the Shire can only use contractors and claim 75% of the first \$153,400 towards the repairs/restoration. Claims for over \$153,400 can be made at 100% but only where contractors are used.

It's such a shame that some people ignore Road Closed signs or believe that those directives don't apply to them. There is also a case to be made for using your own discretion and not using a flooded road or bridge even if there is no sign up.

On another matter that is close to our heart is safety on our roads. Unfortunately, I must report that yet another accident has occurred at the intersection of the Corrigin-Brookton Road/Quairading-Fence Road. The Shire has previously lobbied State agencies to have the Main Roads controlled intersection upgraded so it is safer. However we understand that funds were not available. We will continue to lobby to have the intersection upgraded so that it safe for residents and visitors alike.

Our annual Australia Day breakfast and the presentation of our Citizen of the Year Awards was fantastic. Because of the expected very hot conditions it was decided to move into the Town Hall – and it was a great move. We had an inspirational address from our Australia Day Ambassador, **Professor Ralph Martins, who was WA's Australian of the Year in 2010, and the Western Australian Citizen of the Year in 2011.** A truly great Australian!

Following Prof Martins speech we presented the Awards, and I know that this was reported in the last Windmill. However, I would like to congratulate all of the nominees: Lachlan Robinson, Gypsy Treacy, Connor Baker, Corrigin Golf Club, Corrigin Ballet Group, Ivan Kirkwood, Greg Humphries, Jackie Jones and Sue Courboules. There was **some really stiff competition this year and I'm sure it wasn't easy for the judges to make their decisions.**

In the end, though, Connor Baker was the named **Corrigin's Citizen of the Year (Youth); Greg Humphries, the Citizen of the Year (Senior); the Corrigin Golf Club, the Active Citizenship Award for a Group or Event; and Sue Courboules, Corrigin's Citizen of the Year.** Well done to all of those great people!

Nominations open for the Citizen of the Year Awards in October but if you think that you know of someone who should be nominated you can start gathering your **information any time. It's always a bit of a rush in the end** to get the nominations in, so it would be great if you could put some thought into it earlier.

## WHAT'S BEEN HAPPENING IN CORRIGIN

### Corrigin mops up after weekend storms

Over the very wet February weekend, when we received over 100 ml of rainfall, the Shire had crews on standby for emergency purposes. As an outcome of the wet and wild weather, crews removed 10 trees from various roads throughout the Shire, as well as placing warning and closed road signage where required. Roads were closed where they were considered to be dangerous or where continued use would result in extensive damage to the road infrastructure.

Since the end of the rain event, the Shire has commenced an inspection all the roads in the Shire. Where possible, some interim repairs will be undertaken to enable the roads to be accessed. It is anticipated that some longer term repairs will be required to those roads that have been severely damaged.

The Shire is working towards having roads open as soon as possible. Within the town site Shire crews have been removing mud, gravel and vegetation from the drains. It is anticipated that over the next week, the Shire will work towards clearing all the mud and gravel that flowed along streets during the weekend rain event.

### GRDC Farm Business Update Day held at the Corrigin Recreation and Events Centre

On Tuesday 7th February 2017 the Corrigin Farm Improvement Group partnered with GRDC in hosting a 'Farm Business Update' day, at the new Corrigin Recreation & Events Centre. There was a fantastic turnout with 130 people attending a day filled with relevant farming topics including:

- *Farm Business Management*
- *Succession Planning*
- *Managing Employees*
- *Dealing with the Stress of Farming*
- *When to replace Farm Machinery*
- *Leadership*

The day ended with guest speaker, renowned Australian Hockey Coach and motivator, Ric Charlesworth.

*"It's important to attract these larger, regional, farm focused events into our area, to ensure growers have access to relevant information and key networks"*

## CORRIGIN BOWLING CLUB

### Relocation Feasibility Study **PUBLIC WORKSHOP**

The Shire of Corrigin has appointed consultants to assist in the development of a Feasibility Study into the potential relocation of the Corrigin Bowling Club. Potential sites and options for consideration include:

- Corrigin Sporting Grounds
- Tennis Club
- Golf Club
- Remain at its current site

A key element of the study is to gain as much input from the community as possible about what is required and what you would like to see included.

You are invited to attend a public workshop to be held as follows:

**VENUE:** Corrigin Bowling Club

**DATE:** Thursday 16th March

**TIME:** 7:30pm – 8:30pm

Your attendance, along with your knowledge and input, will ensure that the best options possible will be taken into account in determining the future of the Bowling Club for the community.

### **YOUR VIEWS ARE VITAL**

Should you wish to discuss the project please contact

## Shire of Corrigin receives funding for Aged Persons Dwellings

The Shire of Corrigin has received funding in part, for up to 4 aged persons dwellings from the next financial year. Nine local governments in the Wheatbelt South region formed an '[Aged Housing Project Alliance](#)' and together prepared a business case to support their Royalties for Regions funding application for aged persons, independent living units. The local governments involved include; Corrigin, Cuballing, Kondinin, Kulin, Narembeen, Narrogin, Wandering, Wickepin and the Town of Narrogin.

This funding will help older residents in the Wheatbelt remain close to home, as they age in their local communities, with funding support for age-appropriate housing.

### COUNCIL MEETINGS

Council meets the third Tuesday of the month, excluding January when there is no Council meeting. Meetings commence at 3.00pm and are held in the Council Chambers, at 9 Lynch Street, Corrigin. Interested members of the public are welcome to attend.

# Banners in the Terrace 2017 Competition EXPRESSIONS OF INTEREST

2014

2013

2012

2011

2010

As one of the State's largest single community arts projects, this event is widely acknowledged as being one of the most colourful and vibrant displays throughout the year. The annual exhibition of banners along St Georges and Adelaide Terraces in Perth, allows communities and regions throughout Western Australia to represent themselves to thousands of people travelling along these routes each day. Previous displays have been outstanding due to the great diversity and creativity of the images along the Terrace. The aim of the "Banners in the Terrace" project is to involve the community.

**We're calling for 'Expressions of Interest' from any** Corrigin community group, individual or school who would like to undertake the design and painting of the 2017 Corrigin Banner.

The banners will be judged while hanging in the Terrace under the following categories:

- Junior Primary School (Pre-primary - Year 3)
- Upper Primary School (Year 4, 5 & 6)
- Secondary School (Year 7 - 12)
- Community Group
- Professional / Digital (including digitally designed prints, artist produced banners - does not include digitally printed banners)

Please express your interest by contacting Heather Ives at the Corrigin Community Resource Centre (CRC) on Phone: 9063 2778 or Email: [corrigin@crc.net.au](mailto:corrigin@crc.net.au) before 1st March 2017, to receive a copy of the "Banners in the Terrace" Competition 2017 Information Pack.
