**8.2.2. REQUEST FROM THE CORRIGIN MASONIC LODGE NO. 120 W.A.C. FOR THE SHIRE TO TAKE OWNERSHIP AND UPGRADE THE LANEWAY OVER LOT 178 KIRKWOOD STREET, CORRIGIN**

Applicant:	Corrigin Masonic Lodge No.120 W.A.C.
Location:	Lot 178 Kirkwood Street, Corrigin
Date:	19 July 2016
Reporting Officer:	Rob Paull Chief Executive Officer
Disclosure of Interest:	No interest to disclose
File Number:	ROA0019; A858
Attachment Reference:	Attachment 8.2.2

**SUMMARY**

This Item 'lay on the table' from the June 2016 Council meeting. Council is requested to agree to commence the process to establish a 'Public Access Way' (PAW) over the existing 'laneway' on Lot 178 Kirkwood Street, Corrigin.

**BACKGROUND**

At the 21 June 2016 Ordinary Meeting, Council resolved to 'Lay on the Table' an Item 8.2.3 concerning a 'Public Access Way' (PAW) over the existing 'laneway' on Lot 178 Kirkwood Street, Corrigin. In discussion, Council also requested the Chief Executive Officer to liaise with representatives of the Corrigin Masonic Lodge No. 120 W.A.C. and report back to Council.

By way of information, Council may recall that a laneway has been established between Kirkwood Street and Gayfer Street, Corrigin.

(Source Landgate)

It is understood that the 'laneway' has been in place for well over 20 years and is well located to provide access to residents in Janes Drive through to Newman Street and business area along with the School.

The 'laneway' is 3 metres wide and approximately 90 metres long and constructed with an aging patched seal of poor quality.

At the Kirkwood Street end of the 'laneway', a stone epitaph is erected in honour of a past member of the Corrigin Masonic Lodge No. 120 W.A.C. ('Lodge'). Recently, the Lodge enquired to the Shire about having the laneway resealed. An investigation concluded that whilst the Shire was likely to have been responsible for the original 'laneway' seal the, laneway itself was not reserved for this purpose and is located on Lot 178 – which is owned by the Lodge.

The following provides a map of Corrigin town with the approximate position of the laneway (shown as a red line) and whereby the benefit of the laneway as a short cut for pedestrians to the business area and school can be considered.

(Source Google Maps)

#### **COMMENT**

The Lodge has contacted the Shire seeking to have the 'laneway' resurfaced. In investigating the request, it was found that the 'laneway' was still in the ownership of the Lodge and that they still hold the liability and responsibility for the access.

In response, the Lodge has written to the Shire advising that as far back as 1992, the 'laneway' was gifted to the Shire requesting that it be resurfaced (note **ATTACHMENT 8.2.2**).

A review of Shire records indicates that in January 2010, the Shire wrote to the Lodge confirming that the 'laneway' had not been transferred to the Shire (no response until 2016). Accordingly, the Lodge currently is responsible for the up-keep of the 'laneway' and any public liabilities associated with the access. As noted, at the 21 June 2016 Ordinary Meeting, Council resolved to 'Lay on the Table' Item 8.2.3 concerning a 'Public Access Way' (PAW) over the existing 'laneway' on Lot 178 Kirkwood Street, Corrigin. In discussion, Council also requested the Chief Executive Officer to liaise with representatives of the Lodge and report back to Council.

A discussion with Lodge representatives has occurred and their preference is that the Shire takes responsibility for the 'ownership' of the laneway. The Lodge however understands the budgetary constraints on Council and are no longer actively pushing for the 'laneway to be immediately resealed but for it to be either patched or the surfaced gravelled.

Should Council consider the 'laneway' a community benefit, it is appropriate that the Shire negotiate with the Lodge to have ownership of the 'laneway' transferred to the Shire. This process will involve having the 'laneway' surveyed and then seeking subdivision approval from the WAPC to establish the 'Public Access Way' (PAW). Once approved, the transfer of land to establish the PAW can then be undertaken. On this basis, the Shire would write to the Lodge seeking confirmation that it would be prepared to sell the portion of Lot 178 (approximately 3m x 90 m) currently occupied as a 'laneway' for a nominal price of \$1.

Once this is confirmed, the Shire would then commence (and pay) for a survey and application for subdivision approval from the WAPC. Once received, the Shire would process through Landgate, the sale and creation of the PAW reserve. Council would then be in a position to consider sealing the PAW to an appropriate standard at some future date.

However, should Council consider that the financial cost to the community of establishing 'ownership' along with the long term up-keep of the PAW out way the community benefit, then Council should resolve to advise the Lodge that it has no interest in the laneway and it should use its discretion in determining whether to maintain it (along with necessary public liability).

The decision to take ownership of the laneway (as a PAW) or for it to remain with the Lodge is one for Council to consider hence the Shire Administration has provided Council with two options to consider.

#### **POLICY IMPLICATIONS**

There are no known policy implications in relation to this item.

#### **FINANCIAL IMPLICATIONS**

There are financial implications in relation to this item concerning the cost of surveying the lot and Landgate costs (approximately \$3,000) along with seeking approval from the Western Australian Planning Commission to subdivide the laneway (approximately \$2,000) and subsequent upgrading of the laneway (approximately \$18,000). However, any resurfacing of the laneway should be considered in the Long Term Financial Plan and not considered a requirement within the next 1-5 years.

Applicant:	Shire of Corrigin
Location:	N/A
Date:	19 July 2016
Reporting Officer:	Rob Paull, Chief Executive Officer; Taryn Dayman, Deputy Chief Executive Officer; Greg Tomlinson, Manager Works and Services; Heather Talbot, Governance and Projects Officer
Disclosure of Interest:	No interest to disclose
File Number:	RFT 04/2014
Attachment Reference:	8.2.4A and 8.2.4B

**SUMMARY**

This report relates to the review of the Council's existing policies from Policy Manual and adoption of a more contemporary register of policies that accurately reflect corporate direction and current management practices of the Shire.

**BACKGROUND**

Council's Policy Manual was reviewed in October 2013 then the transition to a Register of policies resulted in a partial review in April 2015 and August 2015. Due to the length of time involved in reviewing each individual policy only a portion of the manual was reviewed in April and August 2015.

**COMMENT**

The objectives of the Register of Policies is to:

- provide Council with a formal written record of all policy decisions;
- provide staff with precise guidelines in which to act in accordance with Council's wishes;

- enable staff to act promptly in accordance with Council’s requirements but without continual reference to Council;
- enable Councillors to adequately handle enquiries from electors without undue reference to the staff or Council;
- enable Council to maintain a continual review of Council policy decisions and to ensure they are in keeping with community expectations, current trends and circumstances; and
- enable ratepayers to obtain immediate advice on matters of Council Policy.

The Register of Policies is a lengthy document with a large amount of policies that have been in place for a number of years. **Attachment 8.2.4 (A)** provides the revised policies with a control sheet showing those policies that have been amended, created or deleted provided as **Attachment 8.2.4 (B)**.

As a general comment, many of the new policies are a ‘rewrite’ of existing policies that have been prepared with ‘objectives’ and a clear policy role and in some case, renumbered to minimise confusion.

#### **STATUTORY ENVIRONMENT**

Council’s role to determine the Local Government’s policies is defined in the Local Government Act, Section 2.7(2)(b):

##### Local Government Act 1995 – Section 2.7 Role of council

- “(1) The council –
- (a) governs the local government’s affairs; and
  - (b) is responsible for the performance of the local government’s functions.
- (2) Without limiting subsection (1), the council is to –
- (a) oversee the allocation of the local government’s finances and resources; and
  - (b) determine the local government’s policies.”

#### **POLICY IMPLICATIONS**

As mentioned in the summary of this report the review process is to update the Register of Policies and offer a more contemporary series of policies that reflects the corporate direction and current management practices of the Shire.

#### **FINANCIAL IMPLICATIONS**

There are no significant direct financial implications for the current budget as a result of the adoption of the proposed policies, however, the proposed policies will in some part direct the activities of Council into the future and thereby have significant effect on the formulation of future budgets.

## SUMMARY

At the Ordinary Meetings of 15 December 2015 and 16 February 2016, Council undertook to review of Council's delegations of authority to the Chief Executive Officer (CEO), as required by Section 5.46(2) of the Local Government Act 1995 ('the Act'). Since then two (2) additional delegations have come to light that need Council's consideration.

## BACKGROUND

Under the Act, Council can delegate certain powers and duties to the CEO and the CEO, in turn, can on-delegate those powers and functions to other employees.

The current Delegated Authority Register was last reviewed by Council at its meetings on 15 December 2015 and 16 February 2016.

**COMMENT**

Since the meeting on 15 December 2015 after discussion with other local government officers, it is considered prudent to add to the delegations with respect to actions under the *Public Interest Disclosure Act 2003 and Equal Opportunity Act 1984*.

The additional delegations are contained in **ATTACHMENT 8.2.5**.

**8.3.1. OUTCOME OF TENDER - SALE OF A 2015 TOYOTA RAV 4 VEHICLE SURPLUS TO THE SHIRE'S NEEDS**

Applicant:	Shire of Corrigin
Location:	N/A
Date:	19 July 2016
Reporting Officer:	Rob Paull, Chief Executive Officer
Disclosure of Interest:	No interest to disclose
File Number:	RFT 04/2014

**SUMMARY**

This item relates to the outcome of disposing of a 2015 GXL Toyota RAV 4 vehicle (Formally registered: 4CR and re-registered 1ESY 257) surplus to the Shire's needs, subject to S3.58 (3) of the *Local Government Act 1995*.

**BACKGROUND**

At the Ordinary meeting of 17 May 2016, Council resolved (in part) as follows:

*"That Council:*

- 1. Authorises the Chief Executive Officer to dispose of plant and equipment (as listed in Item 8.3.1) and a 2015 Toyota RAV 4 (Reg: 1ESY 257) that are surplus to the Shire's needs and to carry out the process of sale as required by Section 3.58 (3) of the Local Government Act 1995.*
- 3. Requests the Chief Executive Officer to refer the matter back to Council at the conclusion of the Public Tender."*

(Note: Part 2 of the resolution related to the disposal of surplus equipment)

The tender documents available for public Tender (04/2016) are included as **Attachment 8.3.1**.

**COMMENT**

The Shire has pursued the sale of the vehicle under a public Tender (04/2016) through advertising in the *Narrogin Observer* newspaper and on Shire notice boards, Website and Facebook, where one Tender was received from Terrance John Cook and Kaye Christine Cook for the lump sum of \$25,300 (including GST).

It is considered appropriate not to accept the Tender offer as substantially less than the Shire's valuation of \$32,150 provided by a reputable Toyota Dealership in April 2014 (for a vehicle with 10,000 km on the odometer. The vehicle has approximately 12,300km on the odometer.

Redbook.com.au provides a generic valuation for a 2015 GXL Toyota RAV 4 as follows:

*Private Price Guide	\$31,300 - \$34,500
*Trade In Price Guide	\$26,000 - \$29,200
*Average Km	15,000 - 25,000

In order to actively dispose of the vehicle, it is recommended that for the next three months the Chief Executive Officer (CEO) be authorised to accept offers for the 2015 GXL Toyota RAV 4 that are equal to or greater than the reserve price of \$32,150 (including GST).

Should in the opinion of the CEO, any reasonable offer less than the reserve price be received, the matter would be referred to Council for consideration.

However, should no reasonable offers be received within the two (2) month period, the CEO be requested to refer them matter back to Council whereby it can consider either reviewing the reserve price or referring the vehicle to a suitable motor vehicle auctioneer.

Reporting Officer:	Rob Paull, Chief Executive Officer
Disclosure of Interest:	No interest to disclose
File Number:	RFT 03/2014
Attachment Reference:	8.3.2A and 8.3.2B

**SUMMARY**

This item relates to the outcome of disposing of surplus plant and equipment subject to S3.58 (3) of the *Local Government Act 1995*.

**BACKGROUND**

At the Ordinary meeting of 17 May 2016, Council resolved as follows:

*"That Council:*

1. *Authorises the Chief Executive Officer to dispose of plant and equipment (as listed in Item 8.3.1) and a 2015 Toyota RAV 4 (Reg: 1ESY 257) that are surplus to the Shire's needs and to carry out the process of sale as required by Section 3.58 (3) of the Local Government Act 1995.*
2. *Requires that any sale of the plant and equipment is on the basis that the bidder:*
  - *is responsible to arrange their own pick-up and delivery of the plant and equipment; and*
  - *acknowledges that the:*
    - *plant and equipment will be sold without any registration or warranty and on a 'where is/what is' basis; and*
    - *Shire will not seek to expend funds starting the plant and equipment.*
3. *Requests the Chief Executive Officer to refer any bids received to the next available Council meeting for consideration."*

The plant and equipment surplus to the Shire's needs that formed public Tender (03/2016) is as follows:

1. Small spray unit with boom
2. 4xskid steer tyres brand new 10-16 5nhs
3. h26 deutsher {sp slasher}with spare motor
4. ram drill post hole digger{PTO driven}
5. Stihl 2 person post hole digger
6. 2x75kg wacker packers
7. diesel tank with 12volt pump (approximately 400lt)
8. spreader box to suit small truck
9. assorted bricks
10. PTO driven rotary hoe
11. PTO driven broom (approximately 1200mm wide)
12. 2160 ISEKI tractor
13. WACKER petrol jack hammer
14. KEVREK 1000kg crane
15. 365 John Deere gang mower
16. PROMACK tree mulcher
17. PRATT emergency shower
18. HUSQVARNA K960 ring saw (quick cut saw for concrete)

The tender documents available for Public Tender (03/2016) are included as **Attachment 8.3.2A**.

#### **COMMENT**

Advertising of the Tender 03/2016 was undertaken in accordance with S3.58 (3) of the *Local Government Act 1995* for a three (3) week period with advertising taking place through the Windmill Newspaper, Shire Website, Public Notice Boards and Shire Facebook Page. All Tenders duly submitted complied with the necessary confirmation as per Council resolution of 17 May 2016 that the bidder:

- “• *is responsible to arrange their own pick-up and delivery of the plant and equipment; and*
- *acknowledges that the:*
  - *plant and equipment will be sold without any registration or warranty and on a 'where is/what is' basis; and*
  - *Shire will not seek to expend funds starting the plant and equipment."*

All Tenders received were in accordance with the above requirements and are included as **Attachment 8.3.2B**. It is noted that one blank Tender was received.

It should be noted that the Local Community Insurance Services (LGIS) has undertaken 'plant hazard risk assessment' for the items for tender (not including the 'assorted bricks) and which will be supplied with any items sold.

With the exception of the 'PROMACK tree mulcher', the tendered prices offered are considered reasonable for what is essentially 'scrap' machinery and is recommended that Council accept the highest Tender price on each item. With respect to the PROMACK tree mulcher, it is recommended that the machine not be sold as part of Tender 03/2016 as the offer of \$110 is too low. The item can be considered as part of a future tender with (potentially) a reserve price.

**POLICY IMPLICATIONS**

There are no known policy implications in relation to this item

**FINANCIAL IMPLICATIONS**

By pursuing a tender for plant and equipment surplus to the Shire’s needs, it is the Shire’s desire to achieve the best price for these items. In some instances, there will be offers that are considered to be too low in value for the items. In this regard, Council should consider whether the sale of such plant and equipment should not be progressed or undertaken through a future tender.

**COMMENT**

MRWA is seeking priority of route assessments requested for the RAV network by Council.

However, from the list provided by the MRWA there are some 20 or so roads that haven't been included in the MRWA 'priority' list (acknowledging that some of the requested roads might be 'double-ups'). Council is requested to advise of its 'priority' list however, it is reasonable that the list Council provides to MRWA be assessed against all route assessments requests Council has considered for the RAV network since August 2014.

#### **INFORMATION/OPERATIONS**

- **Cessation of the Shire's agency role in the Access Point Program**

The Corrigin Community Resource Centre (CRC) has for some time undertaken the role of ‘Access Point - Plus’ for the Department of Human Services (DHS) Services. In this regard, as an ‘Access Point - Plus’, the CRC provides the premises and assisting staff whilst DHS provide a telephone, self-service terminal and fax in the CRC to enable DHS clients to access Centrelink and Medicare via phone, fax and websites.

For this role, the Shire receives an annual income of \$4,700. However, as a result of the ‘Access Point - Plus’ role, the CRC staff have on a fairly consistent basis been subjected to incidents of verbal abuse and threatening behaviour towards them from some DHS clients. The most recent incident occurred in late June when a very belligerent Centrelink client acted in an intimidating and threatening manner to a staff member, (whilst working alone) and with elderly members of the public utilising other services within the CRC at the time. In the short time I have been at the Shire, I know of 3 other occasions where staff have been on the receiving end of inappropriate and verbal behaviours from some Centrelink clients.

Although these incidents are reported to DHS and the Police (on extreme incidents), the emotional impacts on staff and others in the CRC are clearly evident. Unfortunately, the very real risk to the health, safety and security of Shire Staff along with other users of the CRC is considered to be unacceptable.

It is on this basis, I have spoken and now written to DHS management informing them that due to the ongoing abuse and threatening behaviour towards Shire Staff associated with the DHS Services, the Shire is no longer willing to continue as an ‘Access Point - Plus’. However, in order to provide the DHS with time and the opportunity to actively seek an alternate agent within Corrigin, I have advised DHS that the Shire is prepared to enter into a modified contract whereby the ‘completion date’ is amended to 1 November 2016. Although DHS would prefer the current arrangement to remain, DHS is pleased that they will have adequate time to determine alternate arrangements.

I have advised DHS that between now and 1 November 2016, should the abuse and threatening behaviour reach a point where staff are no longer prepared to attend the Access Point- Plus, then the Shire reserves the right to terminate the service with only 24 hours’ notice. Over the coming months, the Shire will advise DHS customers of the change in Centrelink arrangements. It should be noted that very few DHS customers utilise the Medicare portal and phone.

However, for the small number of (mainly elderly) users of the Medicare Access Point Services, CRC staff will continue to assist Medicare customers by making access to 'Broadband for Seniors' Kiosk computers.

  - 1.2. DAPs represent a significant erosion of planning powers by elected representatives who have been given a mandate by ratepayers to make these decisions; and
  - 1.3. Previous decisions made by the Joint Development Assessment Panel have gone well beyond the purpose, intent and application of relevant Local Planning Scheme and Policies adopted by each local council; and

  - 2.1. Abolishing the current opt-in mechanism which allows applicants to choose either elected Councils or the DAP as the decision maker in favour of a Ministerial call-in power for projects of state or regional significance, with a minimal value of \$20 million, as has been adopted in the eastern states;
  - 2.2. Requiring equal membership on the DAP between Local Government and Appointed Specialist members with an independent chair approved by both State and Local Governments;
  - 2.3. Requiring the DAP to set the meeting date for consideration of the development applications no later than five working days after the application being received to enable inclusion within the community consultation process;
  - 2.4. Requiring the DAP agenda and local government report and recommendation to be published no less than ten business days prior to the scheduled meeting date;
  - 2.5. Requiring a minimum of five business days between publishing the DAP agenda and the date by which ratepayers can make public presentations to the DAP, to provide more time to prepare a formal response;

- 2.6. *Mandating that respondents to the development application can nominate e-mail or Australia Post as their preferred contact method for information and requiring the local government to contact registered respondents throughout the process as deadlines are reached;*
- 2.7. *Providing a public template for ratepayers to assist with the preparation of feedback as part of the Community consultation process;*
- 2.8. *Requiring any changes to a development application between the community consultation period and final proposal for decision by the DAP to be published on the local government's website and to notify all respondents to the original community consultation of those changes;*
- 2.9. *Removing the need for the local government to obtain the applicant's consent for further consultation or an extension of time to report the applicant's development proposal to a DAP meeting for determination; and*
- 2.10. *Providing a Local Government aggrieved by a DAP decision a right of review at the State Administrative Tribunal.*
