

Corrigin Toy Library Guidelines

- Membership fees are paid at the Corrigin Community Resource Centre.
- Toys can be borrowed either for two weeks or 1 month.
- Members may borrow one gold star toy at a time per family and also borrow one non-starred toy per child within the family.
- Due to the popularity of some toys, the same toys may not be re-loaned back- to-back.
- Batteries are available at the toy library for those toys needing replacement batteries.
- Toys are for indoor use unless specified as an outdoor toy.
- All toys to be returned clean and complete.

**Toys can be returned during
Toy Library Opening Hours only**

Care of Toys

- Members are responsible for ensuring all toys are treated with care, and returned in good condition.
- When toys are returned with missing pieces, a refundable fee of \$3 per piece is to be paid. *This fee is refunded on the return of the pieces.*
- If unexpectedly a toy is damaged beyond repair or pieces are missing such that the toy is not usable as originally intended, an invoice for the current replacement cost will be issued to the member.
- If a toy is overdue passed 1 week, there will be a fine of \$1 per week for non-starred toys and \$2 per week for gold star toys. An invoice for replacement cost will be sent after 4 weeks for a toy not being returned.
- Please contact a committee member to inform them of toys that require repairs or have missing parts, etc.

The Corrigin Toy Library takes no responsibility whatsoever for the damage to property or personal injury arising directly or indirectly, from any cause relating to its equipment and whether such damage or injury occurs on the premises of the Toy Library or anywhere else.
