SHIRE UPDATES

WORKS CREW

The works crew is currently reconstructing and widening a section of Wickepin-Corrigin Rd as part of our ongoing efforts to improve road safety. These works are scheduled during the warmer months to ensure the best possible finish. While we aim to minimise disruptions during the busy harvest period, some delays are unavoidable, so please allow extra travel time and slow down when passing through the roadworks area.

Meanwhile, the patching truck has been repairing potholes and road edges along Fence Rd, Wickepin-Corrigin Rd, Corrigin South Rd, Walton St, Wogerlin Rd, and 49 Gate Rd. The crew also removed a crest on Kunjin South Rd. A reseal has been completed on Bendering Rd, and new signage has been installed on Doyle Rd and Tipton Rd.

The town crew has been busy maintaining our local areas, including mowing the ovals, whipper-snipping, and slashing weeds. They have continued garden maintenance at Shire properties and parks, repaired irrigation systems, maintained the cricket pitch, pruned trees, and treated the town dam for algae growth. Maintenance has also been completed on the pump and pipeline at the dam on Boyd St.

**JOHN REYNOLDS
RETIRES**

After two decades of dedicated service, John Reynolds is retiring from his role as Waste Transfer Station Manager.

Throughout his time with us, John has seen major changes at the facility. He recalls beginning with no infrastructure and working out of his own vehicle. Since then, he has overseen the transformation of the site from a traditional tip into a modern waste transfer station, along with the construction of a shed and the installation of an air-conditioned donga.

John has also played a key role in improving recycling practices and developing the facility from very limited recycling to the inclusion of steel, cardboard, plastics, and the introduction of the Drum Muster program. His work has come with its share of challenges too, including regular encounters with snakes and spiders, and one memorable moment of being chased back to his car by an unhappy kangaroo.

We sincerely thank John for his 20 years of service and wish him all the very best for a well-earned and enjoyable retirement.

SHIRE UPDATES

ANNUAL AUDIT

Congratulations and well done to the Finance and Administration team for successfully finalising the audit and annual financial statements on time.

The Annual Report will be presented to the Audit Committee and Council in December, with the Annual Electors Meeting scheduled for early February 2026.

EID STICK

The Shire has recently secured a grant to purchase a livestock EID stick reader, which is now available for the community to hire. This handheld device scans electronic ear tags and captures animal data instantly.

If you'd like to hire the reader or find out more information please contact the Shire Office on 9063 2203 or email shire@corrigin.wa.gov.au

POOL UPDATE

It's been a busy start to the outdoor pool season, with many swimmers getting in their morning laps and in-term school swimming lessons now underway.

Several upgrades have been completed in time for summer, including new outdoor speakers, new bench seating, and a refurbished basketball court.

SENIORS WEEK BINGO

As a part of this year's Seniors Week celebrations, the community enjoyed a successful afternoon of intergenerational Bingo, followed by a delicious afternoon tea.

A big thank you to Cr Jacobs, Cr Dyer, and Cr Leach for their support, and to everyone who came along to join in the fun.

The event was proudly funded by the Seniors Week Community Grants Program, coordinated by Advocare in partnership with the Department of Communities and Lotterywest.

WASTE TRANSFER STATION - BIN TIPPER

Following the installation of barrier rails in the unloading area of the Waste Transfer Station, we have now added a bin tipper to make unloading wheely bins and 44L drums as safe and easy as possible.

The bin tipper will be installed for a trial period, and if successful more tippers may be installed along the unloading area.

Please follow the signs and instructions from the waste site attendant when unloading your rubbish. Your support in using safe unloading practices is appreciated.

Please contact the Shire on 9063 2203 or email shire@corrigin.wa.gov.au if you have any feedback or comments on the recent changes to the waste site.

LIFE MEMBERSHIPS

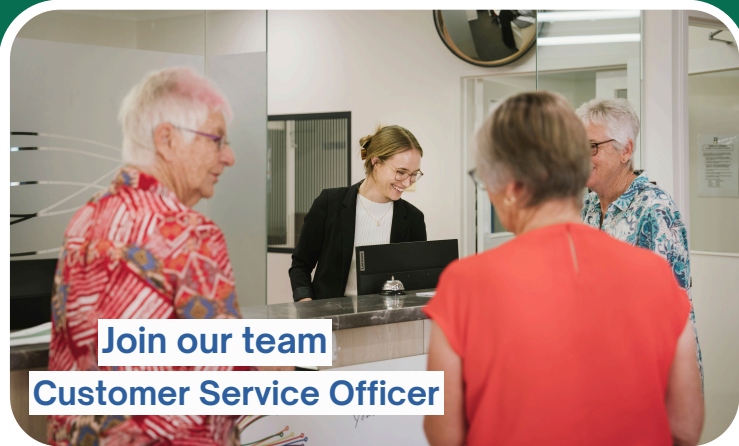

Before the November Council Meeting, Councillors met to congratulate and recognise the achievements of Nicole Squiers, who was awarded Life Membership of the Corrigin Hockey Club. Nicole attended the presentation in person to receive this honour.

Other Life Membership recipients included:

- Jocelyn Hewett – Corrigin Football Club

STAY SAFE THIS SUMMER

AS THE WEATHER FINALLY STARTS TO WARM UP, IT'S IMPORTANT TO BE VIGILANT AROUND SWIMMING POOLS AND TO REMEMBER A FEW POOL DOS AND DON'TS:

DO All pools need a compliant safety barrier.
For more information, visit:
www.wa.gov.au/media/60087/download?inline

DO Keep a close eye on children in the pool at all times.

DONT Prop open the pool gate or place climbable items near the safety barrier.

REMEMBER

If a pool contains 30cm of water or more, it must have a safety barrier. This includes spa pools, portable and temporary pools, as well as above- and below-ground pools.
