- Community Funding

Lyn Baker

Thursday March 9th was the day of our annual Thank a Volunteer/Welcome to Corrigin event. This year it was attended by about 30 people, all volunteers. We started the evening in Miss B's Park, watching the clouds darken and approach. Then down it came! After waiting

for an easing of the downpour, we dashed into the Town Hall to continue the festivities. We hadn't been there long when the power went out. But we persevered – just like our volunteers do.

Our volunteers support our community by running all of our sporting clubs, manning our ambulances, fighting our fires, running our museum, tidying our town and carrying out a myriad of other essential functions. They listen to our children read, perform handyman services for our seniors and run our Red Cross Shop. Without them, our community would not be what it is and those in it would have less fulfilled lives. My very grateful thanks to each and every volunteer in our community – we would be much the poorer without you.

However, many of our organisations are being run by volunteers who are aging. These wonderful people have contributed so much to our lives over a great many years, but they can't continue forever. We need some succession planning to happen! Without bringing some younger people onto the team some of these organisations are in danger of folding. And they are all important. And when I say "younger" I don't necessarily mean 20 year olds, or 30 year olds or even 40 year olds – each organisation has its own attractions and will be of interest to different age groups.

I'm not sure how we achieve this. We don't want older members to resign or retire but we need to attract younger ones as well. It was really pleasing on that night to see the members of Corrigin Fire and Rescue represented by 4 or 5 young men in their late teens and twenties. Well done to that organisation for recruiting so well !

*"Please keep your
mind open to
opportunities
to volunteer for your
community
– we need you !"*

Thanks to Heather and Pippa for arranging the Thank a Volunteer function, and for being there throughout the evening. Thanks also to Rob and Frances Paull and Crs Hickey, Pridham and Dickinson for your assistance as well.

Most of our closed roads have been opened up since the February rainfall event although we are still waiting for approval from WANDRRA to commence major repair work. Staff have been doing their best to make roads safe until such work can be carried out. Thanks and congratulations to our very competent staff who work very hard for us.

Further rain in the last couple of weeks has seen an increase in activity around farm sheds and lots of burning when conditions have allowed. I'm sure all fingers are firmly crossed in the lead-up to the seeding season.

A group of young Bike Week riders at the RSL Memorial Lookout, marking off their bingo cards at one of the many different sites around Corrigin, during Bike Week BINGO

Bike Week BINGO event enjoyed by local families

On Sunday the 19th of March an inaugural game of Bike Week Bingo was enjoyed by over 20 Corrigin locals. After meeting at the Adventure Playground everyone set off with their bingo cards and maps, to mark off numbers in the hope of winning great bike related prizes. After completing the Bike Week Bingo route around town, everyone returned to enjoy fresh fruit and a yummy sausage sizzle, cooked up by Corrigin Rotary Club volunteers. It was time to check for winning bingo cards and choose the prizes. Thank you to the [Department of Transport](#) and [WestCycle](#) for partnering and funding this [Bike Week WA](#) event.

"What was your favourite part of the Corrigin Bike Week BINGO event?"

- Family involvement
- Fun activity
- Family friendly
- The prizes !
- Seeing the kids enjoy themselves

Public Notices

PLANNING AND DEVELOPMENT ACT 2005

TOWN PLANNING SCHEME AMENDMENT AVAILABLE FOR INSPECTION

SHIRE OF CORRIGIN LOCAL PLANNING SCHEME No.2, AMENDMENT No. 4

Notice is hereby given that the Shire of Corrigin has prepared the abovementioned town planning scheme amendment for the following purpose:

To reclassify the northern portion of Lot 53 Kunjin Street (corner Corrigin-Kondinin Road), Corrigin comprising an area of approximately 5.69 hectares from 'Rural Residential' zone to 'Special Use' zone.

Amending Schedule 3 - Special Use Zones of the Scheme Text by adding Special Use No.9 Development Standards/Conditions.
Amending Schedule No.1 – Interpretations of the Scheme Text by adding the following definition:

"Agricultural Machinery Display, Sales & Repairs – Means land and buildings used for the display, sale, maintenance and mechanical repair of new and second-hand agricultural/farming equipment, machinery and vehicles"

Amend the Scheme Map in accordance with the Scheme Amendment Map.

Documents and plans setting out and explaining the scheme amendment proposal have been deposited at the Shire of Corrigin Administration Centre, 9 Lynch Street, Corrigin and at the Western Australian Planning Commission, Gordon Stephenson House, 140 William Street, Perth and will be available for public inspection during office hours up to and including 15 May 2017.

The Amendment documentation can also be viewed on the Shire of Corrigin website www.corrigin.wa.gov.au

Submissions on the scheme amendment may be made in writing and lodged with the Shire's Chief Executive Officer at PO Box 221, Corrigin WA 6375 or submitted in person at the Shire of Corrigin Administration Office by no later than 15 May 2017.

APRIL 2017

GRASS ROOTS FUND

The CBH Group is proud to support our grain growing regions through the Grass Roots Fund. Community groups and organisations are able to seek financial assistance for events and projects which contribute to the health and vitality of their community. Grants of up to \$5,000 are available through our application rounds in January, May and September. Applications are assessed on the following criteria:

- Fit with CBH's purpose, values and behaviour
- Contribute to the vitality, development, well being and/or safety of grain growing regions
- Promote a positive image of agricultural industry and as an employer
- Have value, relevance and credibility to our growers, customers, CBH and/or its employees
- Promote the development of future community and industry leaders

To find out if you're eligible to apply, contact our Sponsorship Team on www.CommunityFund@cbh.com.au

AUSTRALIAN SPORTS FOUNDATION - \$1 MILLION GIVEAWAY - BALLS4ALL

Million dollar equipment giveaway - a new initiative by the Australian Sports Foundation is giving sports clubs, schools and communities the chance to apply for a one million dollar sports equipment giveaway.

This Giving4Grassroots™ grant round, *Balls4All*, is the biggest donation of free sporting goods to clubs, schools and organisations in Australian history, with almost 50,000 items available to clubs.

To make sure filling out your application process is as smooth as possible, you should have the following ready; have an **understanding of what equipment you will apply for by reviewing our available equipment list below; your organisation's ABN & Incorporation Number; the annual revenue for the last financial year; up to 300 words about your club and up to 300 words about what you will do with the equipment.**

If your club does not have an ABN because it is a school sports club, or another large organisation such as Special Olympics Australia, you can still apply. To apply you need to include the ABN for the organisation to which your club belong, in the relevant questions, provide us with the details of the revenues for your club, not for the entire school, organisation or entity and include the contact details of a key contact at the school, organisation or entity in the Secondary Contact details fields.

Visit www.asf.org.au/gi.../what-you-need-to-know-about-applying/ for more information. Applications close midnight AEDT 31 March 2017.

BUSINESS AFTER HOURS CORRIGIN

Guest Speaker

Mr Brian Pontifex

*Australian Delegate in Paris to the
Organisation for Economic Co-operation and Development*

**Hosted by the Shire of Corrigin, this special business after hours will share
an insight into the role of the OECD, public policies and their outlook**

Brian is returning to Australia for a Global Heads of Mission meeting in Canberra with the Department of Foreign Affairs and Trade. This evening will provide him with an opportunity for constructive discussion on Australian policy. Brian will also share the successes and challenges in the role as Australian delegate.

Established in 1961 in Paris, the OECD provides a forum in which governments can work together to share experiences and seek solutions to common problems. The OECD measures productivity and global flows of trade and investment; it analyses and compares data to predict future trends. The OECD also sets international standards on a wide range of things, from agriculture and tax to the safety of chemicals. In addition, the OECD looks at issues that directly affect everyone's daily life, like how much people pay in taxes and social security, how much leisure time they can take, it also undertakes extensive work to identify how different countries' school systems are readying their young people for modern life.

FRIDAY 31 MARCH 2017
