Be Prepared... **WALKING SAFETY TIPS AND BENEFITS**

Be Cool

A wide brimmed hat and a long sleeved, light cotton shirt can prevent sunburn and heat stroke. Always apply sunscreen when outside.

Be Comfortable

Wear trainers or well fitted sandals to prevent foot fatigue and falls on uneven surfaces.

Be Conscientious

Small animals, lizards, birds and fragile plants live along some of the bush trails. Please do not harm or damage. Observe general trail warning signs.

Be Clean

Don't litter. Carry all your litter to a Rubbish Bin. Smokers please extinguish responsibly and be aware of fire bans.

Be Cautious

Rocks become slippery when wet. Do not go too close to edges of rocks. Keep young children with you at all times. Walk at your own pace. Don't light fires.

Be Healthy

Walking is one of the best exercise options it's free, requires no special training and is good for your heart. Adults should do 30mins of moderate intensity activity on most, if not all, days of the week.

Be Environmentally Friendly

Walking instead of driving for just 10km can save 300kgs of greenhouse pollution / year.
