ORGANISATIONAL STRUCTURE

DECISION MAKING FUNCTIONS

Council consists of seven Councillors who are elected to make the policy decisions of the Shire, and the Staff who are responsible for ensuring that those policies are carried out. To implement Council decisions, it is necessary to employ professional staff. Management of the staff is through senior officers including the Chief Executive Officer, Deputy Chief Executive Officer and Manager Works and Services. The Chief Executive Officer, who is employed by the Council and has delegated authority, manages the day to day running of the Shire and provides advice to Council and directs the activities of staff.

It is important to realise that you have elected representatives to help sort out any problems that you may have. Before sending a letter to Council, it is suggested that you contact your local Councillors to discuss the problem. They will advise whether the matter should be placed before Council, or dealt with by the CEO.

The elected members of Council act as one body, dealing with the business of the Corrigin local government area in accordance with relevant statutes, local laws and policies. As a body, Council meets on the third Tuesday of each month, except for January when no meeting is held, to deal with the business put before it.

PUBLIC PARTICIPATION

Members of the public have a number of opportunities to participate in the formulation of the Shire's plans, policies and strategies as well as comment on the performance of the Shire's functions.

Council meetings are held on the third Tuesday of the month, commencing at 3pm sharp and any member of the public is welcome to attend. Limited time is set aside for the public to ask questions of the Council. Questions are generally taken on notice as a reply may not be immediately forthcoming due to the need to either research the matter raised or to seek clarification of the matter from a third-party. Questions should be submitted in writing at least 3 days before the Council meeting is to take place in order that a response can be provided at the meeting if possible.

Occasionally, Council may hold a special meeting outside of these times, especially where it is required to deal with an urgent matter of business. Notice of a Special Meeting of Council will be advertised on the Shire notice boards, on Council website, social media and in the local newspaper seven days beforehand if possible. Any member of the public is welcome to attend a Special Meeting of Council and ask questions of the Council within the allotted public question time.

Residents may be notified of issues by advertising in the local newspaper, Council website, social media, written notification or an onsite sign. Residents then have the opportunity to write to the Shire expressing their views.

A member of the public can write to Council on any policy, activity, function or service of the Council whenever they may wish to do so.
