

ROCKVIEW CROPPING LAND – APPLICATION

The Shire of Corrigin invites applications from local sporting clubs and community groups to crop the Rockview land to raise funds. The land has been cropped for the past two years by the Corrigin Bowling Club with the current agreement due to expire on 28 February 2019. The Corrigin Bowling Club will be responsible for clearing the land of all weeds at the completion of the current agreement.

The Rockview land is approximately 100 hectares and will be available from 1 March 2019 to sporting clubs and community groups on the basis of a two or three year term.

Please email the completed application form to Julia Baker at geo@corrigin.wa.gov.au by 4pm on 31 May 2018.

It is envisaged that Council will make a decision on the use of the land in June 2018. Please note that if your club or group is successful in being granted the cropping rights this does not mean that your project is endorsed by Council and separate approvals may be required.

For further information please contact Natalie Manton on 9063 2203 or Cr Des Hickey on 0428 751 024.
