## NOVEMBER COUNCIL DECISIONS

### APPLICATION TO KEEP THREE DOGS

An application to keep three dogs at a residence has been approved. This special approval comes with a few conditions to ensure the pets are safe and well cared for. The conditions also require that the dogs' registrations remain up to date.

### DELEGATED AUTHORITY – GRANT EXEMPTION AS TO NUMBER OF DOGS KEPT AT PREMESIS

Council has introduced a new delegation that allows the Chief Executive Officer (CEO) to grant exemptions for people wanting to keep more than two dogs on their property. This means that applications no longer need to wait for a Council Meeting and can be approved directly by the CEO, as long as certain conditions are met.

### REPORT TO COUNCIL – SENIOR DESIGNATED EMPLOYEE

The CEO has provided Council with news that Myra Henry has been appointed as the new Deputy Chief Executive Officer (DCEO) for the Shire of Corrigin. Myra, who is coming from the Shire of Coorow, will begin her role in the new year.

### OFFER TO PURCHASE LOT 27 & 28 GRANITE RISE ESTATE

Two offers for properties in the Granite Rise Estate have been accepted. After a period of public notice, the CEO will move forward with completing the sales on behalf of the Shire.

### SELLING AGENCY AGREEMENT FOR VACANT LAND

The contract to sell the shire's vacant land had expired and Council has accepted a proposal from Nutrien Harcourts to continue to act as the exclusive agent for selling vacant land within the Shire, including Granite Rise Estate. This contract will last for three years.

### VACANT LAND – RESERVE VALUES

Following recent asset valuations, Council has set reserve prices for vacant land across the Shire of Corrigin. These prices will help guide future land sales.

### DEVELOPMENT APPLICATION – VARIOUS ALTERATIONS & ADDITIONS TO CBH FACILITY IN BULYEE

Council has approved a development application from Cooperative Bulk Handling Limited (CBH) for some changes to their existing grain handling and storage facility in Bulyee. This includes various alterations and additions to the facility located on Lot 3 and Lot 22 Bulyee Road. A few conditions and advice notes have been attached to ensure the development goes smoothly.

## FROM THE CEO

### OUT ON THE ROADS

Well done to the outside team for finishing the reconstruction and widening of the Corrigin Quairading Road. The team have moved over to the Babakin Corrigin Road for the next few weeks.

This work can only be done during the summer months and we appreciate your patience especially during the busy harvest period.

### ROE TOURISM

Cr Jacobs, Tayla and I attended the Roe Tourism meeting in Kondinin this week. Roe Tourism brings together the Shires of Beverley, Bruce Rock, Corrigin, Kondinin, Kulin, Lake Grace, Narembene and Quairading to promote the region and the Pathways to Wave Rock. It was great to hear what other towns in the region have been doing and future projects.

The Shire of Kondinin counted over 40,000 cars visiting Wave Rock last year which is an amazing opportunity for Corrigin to encourage visitors to the region to stop along the way.

The Caravan Park and RV area have been well used and visitors have made many positive comments about the excellent businesses, facilities and services in Corrigin.

Town is looking great thanks to the parks and gardens team. The rain has not been great for harvesting crops but has given our parks and gardens a boost.

### STUDENT VISIT TO COUNCIL

Ms Poultny and the year 4/5 class visited the Shire of Corrigin on 22 November to learn more about the Council. After a short presentation the enthusiastic students asked some interesting questions. The highlight of the visit was the chance to sit in the Councillor chairs.

### FIREBREAKS

Land owners are reminded that town properties and rural firebreaks are required to be free of flammable material by the end of October every year. The Ranger carried out inspections and infringements were issued in early November for any non-compliant firebreaks.

### BUSH FIRE BRIGADE MEMBER TRAINING

All volunteer bushfire brigade members are required to complete the Rural Fire Awareness training course which is available online at Volunteer Hub.

More information is available on shire website at [www.corrigin.wa.gov.au](http://www.corrigin.wa.gov.au)

# FROM THE SHIRE

## ACTIVE AGEING IN CORRIGIN

We celebrated Seniors Week by exploring some of the ways we can continue to move our bodies as the years progress. Thanks to funding from the Department of Communities and Lotterywest, administered by COTA WA, we were able to have the incredible Megan Henry visit Corrigin to deliver golf and pickleball lessons.

It was a warm day, but the action at CREC was hotter! Beginners and old hats alike all had something to learn about the perfect golf swing, and friendships were forged (and perhaps tested at a point or two) on the pickleball court.

Thank you to everyone who got involved and tried something new, Megan for her expert knowledge and endless enthusiasm, and to our funding partners who made the day possible.

## TOWN HALL RESTORATION

Have you had a chance to check out the restored front steps of the iconic Corrigin Town Hall?

The entrance reflects the buildings amazing State Heritage-Listed design which has made it an iconic window into the past.

A new ramp has been installed on the side of the building near the Corrigin District Club, allowing easy access for all. We are appreciative of your patience throughout the works period.

## PLAYGROUP

Playgroup joined us for story time and a delightfully chaotic 'messy play' activity. The kids (and their Mums) got their hands dirty in a series of themed trays. They splashed through a jelly ocean, herded farm animals through pasta paddocks, excavated frozen dinosaurs, and navigated construction vehicles through the muddy site and then to the washdown bay.

## WORKS CREW

Work has commenced on the Corrigin-Babakin Road between Bilbarin East Road and Crombie Road/Handcock Road/Tulloch Road. This project involves reconstructing and widening the existing road surface, as well as upgrading drainage, signage, and clear zones. It is expected to be completed between February and March 2025.

Meanwhile, the town crew has been busy verti mowing at Rotary Park and Apex Park and top dressing the main oval to keep it in good condition. They have also been pruning trees at the cemetery and carrying out mosquito pellet treatments.
