FROM THE SHIRE

This month the admin ladies at the Shire had a celebratory high tea in honour of Her Majesty's Jubilee and 70th year on the throne. We all dressed up in our very best, with the most scrumptious food for lunch.

This month the Shire team also welcomed back our new Leading Hand Parks, Gardens and Town Maintenance, Paddy Caley.

Aaron Fulwood also joined our team as our newest Container Deposit Scheme Operator.

The Shire have been busy planning projects in the month of June in preparation for the end of financial year and the adoption of the Annual Budget. We always look forward to providing more quality services to our community.

The Corrigin CRC are busy planning activities for SOCK (Save Our Country Kids) Week (28 June - 4 July) as well as a jampacked school holiday program so make sure you keep an eye on the Shire Facebook page or pop in to the CRC to sign up.

The Corrigin community have been invited to take part in the Community Builder Program. The completely free program, funded by Rural Aid is specifically designed for communities in the Wheatbelt South Region to meet together and empower residents to become more involved in building their community and economy.

This is a brilliant chance for anyone in Corrigin with a can-do attitude who wants to give back to our awesome community. If you want to take part please contact the CRC for more information. We would love to have you!

The works crew have been busy as usual continuing with their capital roads construction and roads maintenance programs over the Shire. In town the crew installed new kitchen cupboards in the Old Roads Board building to finish off the conservation works and upgrade.

Our containers facilities took 107, 494 containers in the month of May. Brilliant work!

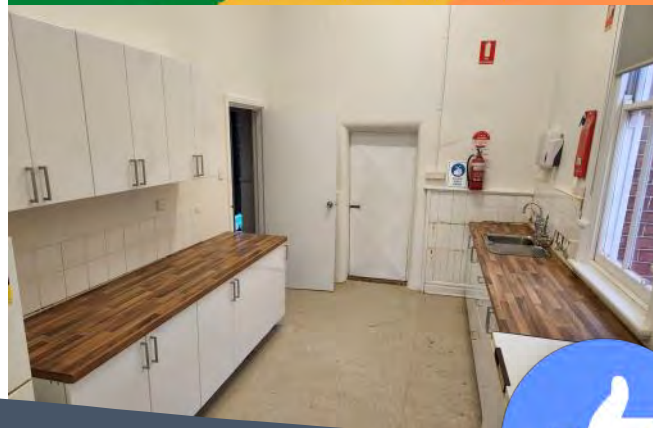

THE COMMUNITY Builders PROGRAM

ARE YOU SOMEONE WHO MAKES THINGS HAPPEN IN YOUR COMMUNITY? WE WANT YOU!

The Community Builders Program is a FREE 6 session networking opportunity that will upskill and inspire you to build your local regional community and economy alongside other Wheatbelt communities.

Narrogin East & Shackleton Bushfire Recovery Mental Health Support

After an emergency or traumatic event, it is normal to feel stressed or anxious. These reactions can last a long time after the event itself and can reoccur over time. Reminding ourselves that it is ok to feel this way will help your recovery and wellbeing. Make time to look after yourself – take a break if you can, do something that you enjoy, and spend time with loved ones. It is important to accept that it is ok to not be ok and to reach out to a friend, family member or professional to seek assistance.

To support community recovery from the February 2022 Wheatbelt bushfires, two locally based mental health service providers, Central Agcare and Holyoake have been engaged to provide targeted mental health support and outreach to impacted communities and farmers.

Service providers will also be at community and sporting events over the coming months to assist in raising awareness and providing mental health support as part of the ongoing recovery.

If you need assistance, please do not hesitate to contact one of the experienced counsellors to have a chat and seek support. Access to services is free and confidential.

Your privacy is important to us. To ensure survey confidentiality we do not ask for your personal identifying details and we will only be publishing aggregated data, not individual responses. Only the first six questions are compulsory, they tell us a bit about you, but do not identify you.

Have your say now, by completing the survey www.surveymonkey.com/r/CorriginPublicHealth you can add any extra ideas or suggestions in the comments fields.
