FROM THE CEO

SHIRE TEAM

The administration team enjoyed a lovely morning tea to wish Emily well as she prepares for the arrival of her new baby.

Welcome to Curtis Tomic to the outside team as a General Hand/ Plant Operator.

The Shire has recently welcomed Jaiden and Ethan to our team as part of their school work experience program. We hope they enjoy learning more about the services the shire provides to the community and gain an understanding of the variety of staff roles.

GYM UPDATE

Plans for the gym are moving ahead in preparation for opening in the next few months. The building has been prepared and a request for quote has been sent out to a range of equipment providers.

Expressions of interest closed last week and a new lease agreement is expected to be finalised with the successful applicant in the next few weeks.

PLANNED RISK REDUCTION BURNING

Thank you to the Corrigin Volunteer Fire and Rescue and volunteer Bush Fire Brigades for their help with prescribed burn at the golf club and rifle range. The reserve near the shire depot is still to be done after Easter.

These planned burns will reduce the fuel load and make the town much safer for the next fire season. Follow up weed spraying is to be done in winter.

FIRE PERMITS

A permit is required for ANY burning during the restricted period up until 15 April 2024. Permits can be obtained by contacting your local Fire Control Officer. Details can be found on the Shire of Corrigin website or the notice sent out with rates.

Burning is not permitted on Good Friday and Easter Sunday.

Stay up to date with latest fire danger index and warnings at www.emergencywa.gov.au

NEW PHOTO COLLAGE

Well done to the Historical Society for their work in organising the new photo collage at the CWA gazebo recognising the immigrants from Europe who came to the Corrigin area after WWII. Many of the people who arrived in Corrigin as part of the Displaced Persons Program worked on government projects and made a significant contribution to the development of Corrigin.

The Shire was happy to support this project and Mr Brian Parsons would have been very proud to see the photo board completed.

OUT ON THE ROADS

The outside team have been busy finishing the capital works program and general road maintenance.

The contractors have been out on the Corrigin South Road verge clearing and the reseal program has been completed.

After numerous delays, the Babakin Corrigin Road widening and floodway upgrade is almost complete.

FROM THE SHIRE

WHEATBELT MEDICAL SCHOOL IMMERSION PROGRAM

Corrigin once again hosted medical students from Curtin University for the annual Wheatbelt Medical School Immersion trip facilitated by Rural Health West.

They had a fantastic time visiting our community and engaging themselves in community life. They had a very busy week visiting Dr Raj and the Corrigin Hospital, holding a 'Teddy Bear Hospital' at the School, visiting Adam Rendell's farm and St John Ambulance volunteers, playing a game of mixed netball, joining our Arts Club as well as games with the Kelpies all giving an insight into what rural life and working as a doctor rurally has to offer.

As always it is a testament to the Corrigin community for being so welcoming, particularly those that host the students and the community groups and volunteers that provide the fun opportunities for the students whilst they are here.

NOM FOODBANK COOKING CLASSES

Earlier this month the Corrigin CRC hosted two Nom Foodbank workshops. Participants learnt about healthy and affordable food options and creating nutritious meals, before cooking some delicious dishes to be shared as a group.

SENIORS ACTIVITY AND INFORMATION DAY

A BIG thank you to the Seniors Recreation Council of WA for coming out to Corrigin and facilitating this free event. We had over 40 attendees and some wonderful static displays from local businesses and groups supporting the day. Thank you to everyone who attended we hope you had a wonderful day.
