1.4 Rejection of Tenders

A Tender will be rejected without consideration of its merits in the event that:

- a) It is not submitted before the Deadline; or
- b) It is not submitted at the place specified in the Request; or
- c) It may be rejected if it fails to comply with any other requirements of the Request.

1.5 Acceptance of Tenders

Unless otherwise stated in this Request, Tenders may be for all or part of the Requirements and may be accepted by the Principal either wholly or in part. The Principal is not bound to accept the lowest Tender and may reject any or all Tenders submitted.

1.6 Risk Assessment

The Principal may have access to and give consideration to:

- a) any risk assessment undertaken by any credit rating agency;
- b) any financial analytical assessment undertaken by any agency; and
- c) any information produced by the Bank, financial institution, or accountant of a Tenderer;

1.7 Evaluation Process

Your Tender will be evaluated using information provided in your Tender using the following evaluation methodology:

- a) checked for completeness and compliance.
- b) assessed against the Selection Criteria.
- c) Referees may be contacted prior to the selection of the successful Tenderer.

A Contract may then be awarded to the Tenderer whose Tender is considered the most advantageous Tender to the Principal.

1.8 Selection Criteria

The Contract may be awarded to a panel of Tenderer(s) who best demonstrates the ability to provide quality products and/or services at a competitive price. The tendered prices will be assessed together with qualitative and compliance criteria to determine the most advantageous outcome to the Principal.

The Principal has adopted a best value for money approach to this Request. This means that, although price is considered, the Tender containing the lowest price will not necessarily be accepted, nor will the Tender ranked the highest on the qualitative criteria.

A scoring system will be used as part of the assessment of the qualitative criteria. Unless otherwise stated, a Tender that provides all the information requested will be assessed as satisfactory. A Tender demonstrating greater satisfaction of each of these criteria will result in a greater score. The aggregate score of each Tender will be used as one of the factors in the final assessment of the qualitative criteria and in the overall assessment of value for money.

1.9 Compliance Criteria

These criteria are detailed within 5.2.1 of this document and will not be point scored. Each Tender will be assessed on a Yes/No basis as to whether the criterion is satisfactorily met. An assessment of No against any criterion may eliminate the Tender from consideration.

1.10 Qualitative Criteria

In determining the most advantageous Tender, the Evaluation Panel will score each Tenderer against the qualitative criteria as detailed within 5.2.2 of this document. Each criterion will be weighted to indicate the relative degree of importance that the Principal places on the technical aspects of the goods or services being purchased.

It is essential that Tenderers address each qualitative criterion. Information that you provide addressing each qualitative criterion will be point scored by the Evaluation Panel.

Failure to provide the specified information may result in elimination from the tender evaluation process or a low score.

1.11 Value Considerations

Weighted Price Criteria

The Weighted Price method is used where price is crucial to the outcome of the contract. The price is then assessed with quality. Include any items that may affect any pricing outcomes (eg Regional Price Preference Policy).

Criteria	Weighting
Tendered Price	40%
Operator Skills and Experience	35%
Tenderer's Resources	15%
Regional Price Preference	10%

1.12 Regional Price Reference

Tenderers for the Contract may be afforded a preference in accordance with Regulation 24(A-G) of the Local Government (Functions and General) Regulations and the Shire of Corrigin Regional Preference Policy as shown in *Appendix 1 Regional Price Preference*.

1.13 Price Basis

All prices for goods/services offered under this Request are to be fixed for the term of the Contract. Tendered prices must include Goods and Services Tax (GST).

Unless otherwise indicated prices tendered must include delivery, unloading, packing, marking and all applicable levies, duties, taxes and charges. Any charge not stated in the Tender, as being additional will not be allowed as a charge for any transaction under any resultant Contract.

1.14 Ownership of Tenders

All documents, materials, articles and information submitted by the Tenderer as part of or in support of the Tender will become upon submission the absolute property of the Principal and will not be returned to the Tenderer at the conclusion of the Tender process PROVIDED that the Tenderer be entitled to retain copyright and other intellectual property rights therein, unless otherwise provided by the Contract.

1.15 Canvassing of Officials

If the Tenderer, whether personally or by an agent, canvasses any of the Shire of Corrigin Officers or Councillors with a view to influencing the acceptance of any Tender made by it or any other Tenderer, then regardless of such canvassing having any influence on the acceptance of such Tender, the Principal may at its absolute discretion omit the Tenderer from consideration.

1.16 Identity of the Tenderer

The identity of the Tenderer is fundamental to the Principal. The Tenderer will be the person, persons, corporation, or corporations named as the Tenderer within your Tender. Upon acceptance of the Tender, the Tenderer will become the Contractor.

1.17 Costs of Tendering

The Principal will not be liable for payment to the Tenderer for any costs, losses or expenses incurred by the Tenderer in preparing their Offer.

1.18 Tender Opening

8 APPENDICES

APPENDIX 1 Regional Price Preference Policy

Policy Owner:	Corporate and Community Services
Person Responsible:	Deputy Chief Executive Officer, Manager Finance
Date of Approval:	21 June 2016
Amended:	17 October 2017

Objective: To stimulate economic activity and growth in the Shire by maximising the use of competitive local businesses in supplying goods, services and works purchased or contracted on behalf of the Shire of Corrigin (the 'Shire').

Legislative Requirements:

This policy sets out the requirements that must be complied with by the Shire for the implementation and application of a regional price preference when purchasing goods and/or services through a tender process. The policy is compliant with the *Local Government (Functions and General) Regulations 1996*, as the relevant legislation.

Policy: A price preference will apply to suppliers who are based in, operate from or source goods or services from within the Shire Region in relation to all tenders invited by the Shire for the supply of goods, services and construction (building) services, unless the tender document specifically states prior to advertising of the tender that this policy does not apply.

The regional price preference enables tenders to be evaluated as if the proposed tender bid price were reduced in accordance with permitted price preferences as specified below in this policy. This policy will operate in conjunction with the purchasing considerations and procedures for tenders as outlined in the Shire's 'Purchasing Policy' when evaluating and awarding tender contracts.

Qualifying Criteria:

Regional Tenderer

A supplier of goods or services who submits a tender is regarded as being a regional tenderer if:

- a) that supplier has been operating a business continuously out of premises in the Region for at least six months before the time after which further tenders cannot be submitted. This is further defined as follows and the supplier will be required to meet all of these criteria:
 - i. the supplier to have a physical business premises (in the form of an office, depot, shop, outlet, headquarters or other premises where goods or services are being supplied from), located in the Region. This does not exclude suppliers whose registered business is located outside the Region but undertake the business from premises located in the Region;
 - ii. the physical location of the business premises in the Region has been operating on an ongoing basis for more than six months prior to the closing date for the tender;
 - iii. a business having permanent staff that are based at the business premises located in the Region;
 - iv. management or delivery of the majority of the tendered outcomes will be carried out from the business premises located in the Region; and

- v. the business being registered or licensed in Western Australia; or
- b) some or all of the goods or services are to be supplied from regional sources. Goods and/or services that form a part of a tender submitted may be wholly supplied from regional sources; or partly supplied from regional sources, and partly supplied from non-regional sources. Only those goods or services identified in the tender as being from regional sources may be included in the discounted calculations that form a part of the assessments of a tender when the regional price preference policy is in operation.

In order for the policy to apply, the tenderer is required to provide to the Shire written evidence within the tender submission which demonstrates compliance with the above criteria. Tenderers who claim that they will use goods, materials or services supplied from regional sources in the delivery of the contract outcomes will be required, as part of the contract conditions, to demonstrate that they have actually used them.

Regional Price Preference Categories

The following levels of regional price preference will be applied (where relevant) to tenders received from a regional tenderer, as outlined above under this policy:

- **Where the contract is for goods and services:** Up to a 10% price preference (to a maximum price reduction of \$50,000 excluding GST) where goods and services are sourced from within the Shire Region.
- **Where the contract is for construction (building) services:** Up to a 5% price preference (up to a maximum price reduction of \$50,000 excluding GST) where construction (building) services are sourced from within the Shire Region.
- *Where the contract is for goods or services (including construction (building) services), if the Shire is seeking tenders for the provision of those goods or services for the first time, due to those goods or services having been, until then, undertaken by the Shire:*

Up to 5% price preference (up to a maximum price reduction of \$200,000 excluding GST) where goods or services (including construction (building) services) are sourced from within the Shire Region

Competitive Purchasing

Whilst price is a competitive consideration in the provision of goods and/or services via tender, it is only one aspect of the tender evaluation process. Value for money principles, as described within the Shire's 'Purchasing Policy', will be employed by assessing the price component in conjunction with the tender selection criteria and requirements in order to determine value for money. The tender offering the lowest price may not necessarily be successful.

Terminology

Goods: include tangible, quantifiable material requirements usually capable of being moved or transported that are purchased, rented, leased or hired by the Shire.

Region: for the purposes of this policy the Region is specified as the entire geographical area encompassed within the boundaries of the Shire of Corrigin.

- the Principal must notify the Contractor within 10 Business Days of the claim for an extension of time under Clause 18.4 (or such other time agreed by the Parties) that an extension of time to the Completion Date is granted. - 18.6 The Principal may by written notice to the Contractor direct an extension of time to the Completion Date at:
- (a) any time that the Principal directs a Variation; or at any other time at the absolute discretion of the Principal, notwithstanding that the Contractor has not submitted, and/or is not entitled to submit, a claim for an extension to the Completion Date. The Contractor acknowledges that the mechanism in this Clause 18.6 is a discretionary right of the Principal which may be exercised by the Principal for the sole benefit of the Principal and does not:

- 18.7 If the Principal, considers (acting reasonably) that the Contractor is not entitled to an extension of time, the Principal's Representative must notify the Contractor within 10 Business Days (or any other period agreed in writing by the Parties) of receipt of the claim under Clause 18.4 that the Completion Date remains unchanged.
- 18.8 If the Contractor fails to comply with Clause 18.4 the Contractor will have no entitlement to an extension of time of the Completion Date.
- 18.9 If an extension of time is granted in accordance with this Clause 18, provided that those costs are not also reimbursable pursuant to Clauses 27 or 28, the Principal will reimburse the Contractor for any costs reasonably incurred and directly attributable to the delay, but without regard to overheads, profit or any other cost, loss, expense or damage.

- 19.3 The payment of Liquidated Damages will not relieve the Contractor from its obligations to perform the Services in full and/or deliver the Goods in full to the Delivery Points or from any of its obligations and liabilities under this Contract.
- 19.4 Liquidated Damages shall become due upon the issue of a notice by the Principal setting out the amount of Liquidated Damages payable by the Contractor to the Principal.

- 19.5 The Principal may recover the amount of Liquidated Damages:
- (a) on demand from the Contractor; or
by deducting such amount from any amount owed to the Contractor by the Principal, after the elapse of the Completion Date.
- 19.6 The Contractor acknowledges that all sums payable by the Contractor to the Principal pursuant to this Clause 19 represent the Principal's genuine pre-estimate of the damages likely to be suffered by it if the Services are not performed in full and/or the Goods are not delivered in full to the Delivery Points, by the Completion Date and such sums shall not be construed as a penalty.

- 20.4 Any review, inspection, examination or witnessing of testing by the Principal or their results does not relieve the Contractor of its responsibilities under this Contract.
- 20.5 If, as a result of any review, inspection, examination or witnessing of testing, the Principal is not satisfied that the Goods and/or Services will comply with this Contract and the Contractor is notified in writing of such dissatisfaction, the Contractor agrees to take such steps as are necessary to ensure compliance.

23.4 The Principal shall not be responsible for the care or custody of any Defective Goods after the Contractor has been notified that they are defective.

24 FAILURE TO PROVIDE GOODS AND SUPPLY SERVICES

Where a State of Emergency is declared under the *Emergency Management Act 2005 (WA)* or where the Contractor is unable or fails (for whatever reason) to provide the Goods and/or Services in accordance with this Contract, the Principal may, for as long as determined by the Principal (acting reasonably) and without being liable in any way to the Contractor (including for that part of the Contract Price which relates to the relevant Goods and/or Services), obtain or acquire such goods and services as it requires from a third party.

- 27.2 If the Principal or the Principal's Representative requests the Contractor must prepare and submit a variation proposal addressing any proposed Variation ('**Variation Proposal**'). The Principal agrees to provide such further information as reasonably requested by the Contractor to enable the Contractor to prepare the Variation Proposal. The Contractor must submit the Variation Proposal to the Principal within 5 Business Days (or within such other period as the Parties agree) of the Principal's request for the proposal.
- 27.3 If a Variation requires the omission of Goods and/or Services, the Principal's Representative may have the omitted Goods and/or Services provided by others or not as the Principal sees fit.
- 27.4 The Variation Proposal must specify:
- (a) the effect the Contractor anticipates the proposed Variation will have on the Completion Date and the Contract Price (if any); and

- 27.6 The Principal or the Principal's Representative is not obliged to direct a Variation after receiving the Variation Proposal from the Contractor.
- 27.7 The Contractor acknowledges and agrees that, subject to Clause 27.10, the Principal or the Principal's Representative may direct the Contractor in accordance with Clause 27.13 to perform the Variation even if the Parties are unable to agree on the price for the Variation or the impact of the Variation on the relevant Completion Date.

 - (ii) if Clause 27.10(a)(i) does not apply, using reasonable rates or prices, having regard to all circumstances which the Principal's Representative (acting reasonably) considers to be relevant; and
 - (b) the impact of the Variation on the Completion Date,
- then the Principal's Representative must determine a reasonable impact and amend the relevant Completion Date by notice in writing to the Contractor.
- 27.11 A Variation does not invalidate this Contract.
- 27.12 The Contractor may request that the Principal direct a Variation and the Principal or the Principal's Representative may, in its absolute discretion, direct a Variation under this Clause 27 or elect not to direct a Variation.
- 27.13 A direction is not a Variation unless a Variation Form has been signed by the Principal.

28 SUSPENDING THIS CONTRACT

- 28.1 The Principal or the Principal's Representative may, at any time and for any reason, suspend this Contract or any part of this Contract.
- 28.2 When the Contractor receives a written notice of suspension from the Principal or the Principal's Representative, the Contractor must suspend the performance of its obligations under this Contract until such time that the Principal or the Principal's Representative directs that this Contract is no longer suspended. At such time the Contractor must promptly recommence the performance of the Contractor's obligations under this Contract.
- 28.3 Where the suspension of this Contract is not a result of any default or action by the Contractor or the Contractor's Personnel, the Principal will reimburse the Contractor for the Contractor's verified reasonable additional costs incurred as a direct consequence of the suspension of this Contract. For the avoidance of doubt, such costs must not include Consequential Losses.
- 28.4 If the Principal or the Principal's Representative suspends this Contract or any part of it in accordance with Clause 28.1 (other than where such suspension is due to default or action by the Contractor or the

Contractor's Personnel), the Completion Date and the End Date are extended by the period of that suspension.

28.5 The remedies set out in Clauses 28.3 and 28.4 are the Contractor's sole and exclusive remedy in respect of the Principal suspending this Contract.

32.5 A payment made pursuant to this Contract will not be taken or construed as proof or admission that the Goods delivered or the Services performed (or any part thereof) were to the satisfaction of the Principal but will only be taken to be payment on account.

32.6 Failure by the Principal to pay the amount payable at the due time will not be grounds to invalidate or avoid this Contract.

32.7 The Contractor shall not be entitled to any interest or charge for extending credit or allowing time for the payment of the Contract Price.

34.4 To the extent that GST is payable in respect of any supply made by a Party ('**Supplier**') under or in connection with this Contract, the consideration to be provided under this Contract for that supply (unless it is expressly stated to include GST) is increased by an amount equal to the relevant part of the GST Exclusive Consideration (or its GST exclusive market value if applicable) multiplied by the rate at which GST is imposed in respect of the supply.

34.5 The recipient must pay the additional amount payable under Clause 34.4 to the Supplier at the same time as the GST Exclusive Consideration is otherwise required to be provided.

- 34.6 The Supplier must issue a tax invoice to the recipient of the taxable supply at or before the time of payment of the consideration for the supply as increased on account of GST under Clause 34.4 or at such other time as the Parties agree.

- 36.2 To the extent that the Principal is liable to the Contractor under any Legal Requirement or under this Contract, the Principal's liability to the Contractor in respect of Loss under this Contract in the aggregate for all claims is limited to the Principal Maximum Liability Amount.
- 36.3 The limitation of liability in Clause 36.1 does not apply in respect of any fraud, deliberate default, gross negligence or Wilful Misconduct or any act or omission done or not done with a reckless disregard for the consequences by the Contractor, the Contractor's Personnel, or for any loss arising from any claim by a third party against the Principal arising out of any act or omission of the Contractor or the Contractor's Personnel.

37 FORCE MAJEURE EVENT

- 37.1 A Party must give timely notice to the other Party of any Force Majeure Event that precludes the Party (whether partially or wholly) from complying with its obligations under this Contract ('**Affected Obligations**') and must either:
- (a) to the extent practicable, specify in the notice the length of delay in the Completion Date that will result from the Force Majeure Event; or
- (b) where it is impracticable to specify the length of delay at the time the notice is delivered, provide the Principal with periodic supplemental notices during the period over which the Force Majeure Event continues.
- 37.2 The Party's obligation to supply the Affected Obligations is suspended for the duration of the actual delay arising out of the Force Majeure Event.
- 37.3 The Parties must use their reasonable endeavours to remove or relieve the Force Majeure Event and to minimise the delay caused by any Force Majeure Event.

37.4 If a Force Majeure Event continues to affect the supply of the Goods and/or Services for a continuous period of 180 days, the Principal may terminate this Contract by serving written notice on the Contractor and neither Party has liability to the other except in respect of any event arising prior to the date of this Contract being terminated.

38 SETTLEMENT OF DISPUTES

38.1 In the event of a Dispute either Party may deliver a written notice to the other Party that identifies the Dispute ('**Notice of Dispute**').

38.2 The Party that delivers the Notice of Dispute should also provide enough information about the Dispute for the other Party to reasonably understand the:

- (a) alleged facts on which the claim is based;
- (b) legal basis on which the claim is made; and
- (c) relief that is claimed.

38.3 Within 10 Business Days of a Notice of Dispute being delivered, the receiving Party must deliver a written response to the other Party stating:

38.5 If the Parties are unable to resolve the Dispute within the 10 Business Days of attempting in good faith negotiations in accordance with Clause 38.4, either Party may initiate proceedings in a court of competent jurisdiction.

38.6 Either Party may, with the agreement of the other Party, at any time, refer the Goods and/or Services (or any part thereof) to an appropriate independent expert, agreed to by the Parties, for examination and report as to their compliance with this Contract. The decision of the expert shall be final and binding upon both Parties, and the expense of such reference shall be paid by the unsuccessful Party.

39 TERMINATION OF CONTRACT

39.1 If a Party breaches or repudiates this Contract, nothing in this Contract prejudices the right of the other Party to recover damages (including loss of bargain damages) or exercise any other right under this Contract or under any applicable Legal Requirement.

39.2 The Principal may, in its absolute discretion, and without being obliged to give any reasons, terminate this Contract at any time by giving not less than 5 Business Days written notice to the Contractor. The Principal shall pay to the Contractor:

- (a) the amount due to the Contractor evidenced by all unpaid Invoices and approved Progress Claims; and
- (b) the cost of materials and equipment reasonably ordered by the Contractor for the Goods and/or Services and which the Contractor is liable to accept, but only if they will become the Principal's property on payment,

- (g) or the Contractor's Personnel:
 - (i) cause a safety issue, condition or any risk to health in breach of this Contract; and
 - (ii) the Contractor, within 5 Business Days of a notice from the Principal advising the Contractor that it has caused a safety issue, condition or any risk to health in breach of this Contract, does not show cause to the Principal's satisfaction why the Principal should not end this Contract,

then the Principal may by notice in writing to the Contractor immediately terminate this Contract whether any Orders remain outstanding or not and thereafter the Principal may engage or contract with any person or corporation other than the Contractor to perform and complete this Contract.

39.4 The Principal shall ascertain the amount of all damages and expenses suffered or incurred by the Principal in consequence of any of the matters referred to in Clause 39.3 and all such amounts may be deducted from amounts then owing to the Contractor or may be recovered in court by the Principal.

39.5 When this Contract is terminated, the Contractor must promptly return to the Principal any of the Principal's property or documents which the Principal owns or in which the Principal has an interest.

39.6 The termination of this Contract does not affect:

- (a) any rights of the Parties accrued before the End Date; and
- (b) the rights and obligations of the Parties under this Contract which, expressly or by implication from its nature, are intended to continue after the End Date.

40 WAIVERS AND AMENDMENTS

40.1 This Contract may only be amended, or its provisions waived, in writing by the Parties.

40.2 No forbearance, delay or indulgence by the Principal in enforcing the provisions of this Contract shall prejudice, restrict or limit the rights of that Party, nor shall any waiver of those rights operate as a waiver of any subsequent breach.

41 ENTIRE AGREEMENT

41.1 To the extent permitted by Law, this Contract embodies the entire agreement between the Parties and supersedes all prior conduct, arrangement, agreements, understandings, quotation requests, representations, warranties, promises, statements, or negotiations, express or implied, in respect of the subject matter of this Contract.

42 RIGHTS AND REMEDIES

The Principal may exercise the rights herein conferred in addition to all or any other rights or remedies which the Principal shall or may be entitled to against the Contractor whether under a Legal Requirement or this Contract.

43 INSURANCE

43.1 The Contractor must, at its own cost and expense, as a minimum procure and maintain the Insurances:

- (a) on the terms and conditions set out in this Clause and otherwise on terms acceptable to the Principal; and

- (b) except for compulsory statutory workers' compensation insurance, compulsory motor vehicle insurance and professional indemnity insurance, include a cross liability endorsement that all agreements and endorsements except limits of liability must operate in the same manner as if there was a separate policy of insurance covering each Party insured and a failure by any insured Party to observe and fulfil the terms and conditions will not affect any other Party;

- (f) state that it is governed by the Laws of the Commonwealth of Australia and that courts of Australia shall have exclusive jurisdiction in any dispute under the policy.

43.5 The effecting and maintaining of the Insurance by the Contractor does not, in any way, affect or limit the liabilities or obligations of the Contractor under this Contract.

43.6 The Contractor must maintain *public and product liability insurance*. The public and product liability policy must:

- (a) come into effect on or before the Start Date and be maintained until the Insurance End Date;

- (e) be endorsed to cover:
 - (i) the use of unregistered motor vehicles or unregistered mobile plant and equipment used in connection with this Contract; and

- (a) come into effect on or before the Start Date and be maintained until the Insurance End Date;

43.9 The Contractor must not do or omit to do any act that would be grounds for an insurer to refuse to pay a claim made under any of the Insurance.

43.10 The Contractor must give the Principal at least 20 Business Days prior notice of cancellation, non-renewal or a material alteration of the Insurance.

Nothing in this Clause will fix the Principal with notice of the contents of any policy and must not be raised as a defence to any claim by the Principal against the Contractor.
- 43.13 If the Contractor fails to procure and maintain the Insurance in accordance with this Contract, the Principal may, but is not obliged to procure and maintain any such Insurance and the cost of doing so will be a debt due and immediately payable from the Contractor to the Principal.

- 43.16 The Insurances are primary, and not secondary, to the indemnities referred to in this Contract. The Principal is not obliged to make a claim or institute proceedings against any insurer under the Insurance before enforcing any of its rights or remedies under the indemnities referred to in this Contract. In addition, the Parties acknowledge that if a claim is made under an Insurance policy by the Principal, it is their intention that the insurer cannot require the Principal to exhaust any indemnities referred to in this Contract before the insurer considers or meets the relevant claim.
- 43.17 The Contractor at the discretion of the Principal may be required to provide the Principal with a risk management plan relating to this Contract in accordance with AS/NZS 4360-2004 Risk Management.
