Attachment Ref:	Attachment – 8.1.3 Monthly Financial Report for month ending 31 August 2021

SUMMARY

This report provides Council with the monthly financial reports for the month ending 31 August 2021.

BACKGROUND

The *Local Government (Financial Management) Regulations 1996*, regulation 34 states that a local government must prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget.

Variances between budgeted and actual expenditure including the required material variances (10% with a minimum value of \$10,000) are included in the variance report.

The month closed with \$1.3m in the municipal fund, \$1.06m in short term investment. The advanced grant funding received prior to the end of financial year is still in reserves as cash flow has been steady.

The outstanding rates balance is \$1,630,815. The long term outstanding rates debt of \$149,288 has been reduced to \$79,404 due to receiving a large payment.

The capital and road program for 2021/22 is progressing slowly due to the delay caused by the heavy rainfall received in July pushing the road program back.

Further information on the August financial position is in the variance report included in the monthly financial reports.

8.2 GOVERNANCE AND COMPLIANCE

8.2.1 OLD RAILWAY BUILDING RESERVE PURPOSE

Applicant:	Shire of Corrigin
Date:	25/08/2021
Reporting Officer:	Heather Talbot, Governance Projects Officer
Disclosure of Interest:	NIL
File Ref:	CP.0095
Attachment Ref:	NIL

SUMMARY

This report seeks Council's endorsement to request approval from the Minister for Lands to change the current designated purpose of Crown Reserve 47959 from Parklands and Parking to Parklands, Parking and Community Purposes to accommodate the leasing of the old railway building to the Australian Red Cross Society and other community organisations in the future.

BACKGROUND

At the July 2021 Ordinary meeting of Council, Council resolved to progress the finalisation of a lease agreement between the Shire of Corrigin and the Australian Red Cross Society for a term of one year, with four one year options.

The lease agreement has been finalised and the Australian Red Cross Society have agreed to the terms presented in the draft lease. The final part of the process is to seek Ministerial approval for the lease agreement.

McLeods Solicitors, acting on behalf of the Shire of Corrigin, sought Ministerial approval from the Minister through the Department of Planning, Lands and Heritage. The department has notified the Shire, through McLeod's Solicitors that ministerial approval cannot be granted as the purpose of a community opportunity shop does not fit with the current reserve purpose for Crown Reserve 47959.

Reserve 47959 encompasses two lots on either side of the railway line. Lot 523 on Deposited Plan 31917 runs along the eastern side of the railway line from Dry Well Road to the North to the Great Southern Fuels Depot to the South. It includes the Old Railway Station building and parts of the carpark, playground and truck parking area along Walton Street. Lot 522 on Deposited Plan 31917 is on the western side of the railway line and includes the old railway tower and tank and the railway goods shed (see below map for reference).

The Department of Planning, Lands and Heritage have suggested that the Shire apply to have the Reserve Management Order changed so that the designated purpose of the reserve aligns with how the entire reserve is intended to be used.

It is recommended that the designated purpose of the reserve is amended to include Community Purposes which would allow for the use of the building by community organisations now and into the future without taking away from the other purposes of parklands and parking which is the majority of the reserve. Community purposes allows for a wide range of uses that could possibly be considered on this land now and into the future.

SUMMARY

The Audit and Risk Management Advisory Committee recommends that Council endorse the resolutions from the meeting held on Tuesday 17 August 2021.

BACKGROUND

AMD conducted the interim audit on behalf of the Office of the Auditor General from 10 to 11 May 2021 onsite. The Shire of Corrigin administration staff responded to the numerous requests for information prior to the auditors arriving onsite and during this period.

The auditors provided feedback on findings from the interim audit that will require attention prior to the final audit in September 2021 including:

1. Information Technology Usage Policy
2. Employee operating private business from shire premises
3. Purchasing and payment procedures

COMMENT

The first two interim audit findings identified by AMD on behalf of the Office of Auditor General were considered moderate risk and the third item was considered minor. There were no significant findings identified during the interim audit.

The Information Technology Usage Policy was presented to Council at the Ordinary Meeting in August 2021 and changed to incorporate greater detail and address concerns raised during the interim audit.

The Pool Manager Contract is currently being renegotiated and the sale of food and drink has been included in the draft employment contract.

The purchasing and payment procedures have been rectified with staff being reminded of their responsibilities in regards to purchasing. The final issue will be rectified prior to the audit with a review of the Petty Cash Policy presented to Council for consideration in October 2021.

8.2.4 WALGA AGM PROPOSED MOTIONS

Applicant:	Shire of Corrigin
Date:	31/08/2021
Reporting Officer:	Natalie Manton, Chief Executive Officer
Disclosure of Interest:	NIL
File Ref:	GR.0022
Attachment Ref:	Attachment 14.1 – Agenda WALGA AGM 2021

SUMMARY

Council is asked to consider the proposed motions for the WALGA Annual General Meeting (AGM) and provide direction to the Shire of Corrigin voting delegates.

BACKGROUND

The Annual General Meeting of the Western Australian Local Government Association will be held on Monday 20th September 2021.

A summary of the motions outlined in the WALGA AGM agenda is provided below.

3.1 Amendments to WALGA's Constitution (01-001-01-0001 TL)

A number of amendments are proposed to the WALGA Constitution;

Amendments are necessary:

- To remove requirements for delegates to attend annual and special general meetings in person; and
- As a result of WALGA's change of financial year end to 30 June, from the previous 31 May year end.

Other amendments are proposed to:

- Allow a second vote to be conducted if two candidates tie in an election for President or Deputy President;
- Clarify the application process for Ordinary and Associate Members;
- Simplify the process for providing notice of State Council meetings;
- Allow motions at Special State Council meetings to be passed with a simple, as opposed to absolute, majority, except as required elsewhere in the Constitution, such as the absolute majority requirement to adopt the budget; and,
- Tidy up outdated wording.

The proposed amendments to the Constitution were passed at the 7 July 2021 State Council meeting by a Special Majority.

Consequently, these Constitutional Amendments are now being put to the 20 September 2021 Annual General Meeting.

3.2 Cost of Regional Development

The Shire of Gnowangerup motion highlights the shortage of long-term and short-term accommodation for workers in regional areas, combined with the high cost of developing land, has become an urgent issue.

The motion proposes that government intervention is needed.

3.3 CSRFF Funding Pool and Contribution Ratios

The Shire of Dardanup advises that some clubs are not able to contribute their one third required contribution towards facilities and major projects as required under CSRFF framework.

This results in Local Governments having to fund two thirds of new infrastructure at significant cost to ratepayers.

Support is sought for WALGA to lobby State Government to increase funding towards this program and to allow a 50:50 split between State and the local communities.

3.4 Regional Telecommunications Project

Motion proposed by the Shire of Esperance suggesting that state funding has decreased to only \$5 million for the entire state and the installation of towers have dried up significantly.

The Federal Government has allocated its largest allocation of funding in Round 6 of \$80 million.

Matching funds from the State is critical to securing funds from the Federal Mobile Black Spot Program which is in threat of being secured by other States with matching funding.

3.5 Review of the Environmental Regulations for Mining

The Australian and State Governments has several initiatives and studies completed regarding mining environmental regulating and the Mining Rehabilitation Fund.

Industry Australia has done extensive studies in this field of mine rehabilitation and there is already an established fund for this possible initiative: Mining Rehabilitation Fund Yearly Report 2018-19 (dmp.wa.gov.au).

The motion proposed by the Shire of Dundas aims to obtain support for this initiative to get local governments across Western Australia involved by receiving some of these funds to actively participate in these rehabilitation works with mining partnerships and local government.

This opportunity will fund diversification and implement a plan for after mine life, reducing the impacts of the mining boom bust cycle.

WA currently has approximately \$182 million in the mining rehabilitation fund, generating around \$1 million in interest of which approximately \$312,000 was used in rehab projects.

COMMENT

The five motions will be discussed and voted upon at the WALGA AGM.

At the Ordinary Council meeting on 20 July 2021 Council nominated Cr Des Hickey and Cr Mason as voting delegates and Cr Weguelin and Cr Jacobs as proxy voting delegates.
