Corrigin celebrates AUSTRALIA DAY 2020

Strengthening our community now to grow and prosper into the future

www.corrigin.wa.gov.au

CEO's Corner

Wishing everyone a Happy New Year and hope that you enjoyed a well earned break in January.

For many people, the festive season is a time of joyful celebration and a time to connect with family and friends. Our thoughts are with those families who found the Christmas and New Year period a time of financial stress, family conflict or loneliness.

The health and wellbeing of our community is important to the Shire of Corrigin and we are working with mental health and suicide prevention services to consider some workshop and seminar options to support our community. We have included a list of support services later in the newsletter for your information.

Corrigin is fortunate to have excellent health services including hospital, doctor, dentist and other allied health services as well as a pharmacy and aged care services. Each year the Shire of Corrigin contributes approx. \$240,000 in cash and in kind **support to the medical services including; rent free doctor's surgery, house, car, utilities and business support.** We have been working hard over the past few months to secure a long term contract for medical services. With such a large investment (9% rates) it is important that we provide transparency and accountability to our community as well as comply with the Local Government Act 1995 and Financial Management Regulations which require us to advertise a tender for the subsidy towards medical services. Tenders close in early February and we hope to secure the services of the doctor for the next six years.

For the past four years the Shire of Corrigin has been working with a group of neighbouring councils to secure grant funding for more aged housing units. After several disappointments our patience finally paid off and we have been fortunate to receive a grant to build two more aged housing units in Goyder Street alongside the existing units. We will be working closely with the **Corrigin Senior Citizen's Committee on this project and expect tenders to be advertised in the next few months.**

It was exciting to receive news this week that the Shire of Corrigin is set to benefit from \$1million of drought funding from the Australian Government. The program supports local community infrastructure and other drought relief projects for communities impacted by drought and targets projects that:

- provide work for people whose employment has been impacted by drought,
- stimulate local community spending,
- use local resources, businesses and suppliers,
- provide a long-lasting benefit to communities and the agricultural industries.

The Council will consider some ideas that we already have in the pipeline but please let me know if you have any great ideas on how to spend the funding over the next 18 months.

I hope you are coping with the incredible summer heat we are experiencing this year. Spare a thought for our Shire of Corrigin outside crew and contractors who are working out in the heat to deliver a very large capital works program this financial year. The guys have recently finished work on the Naremben Road and are currently working on repairing the failed sections of the Bulyee Road. We were successful in receiving a grant of \$997,000 to stabilise sections of this road, which unfortunately will not be enough to stabilise the whole of the road, but will go a long way to improving the overall condition of the road before next harvest. The work is expected to take a couple of months so please be patient and avoid this road unless absolutely necessary so that we can get on with our work as quickly and safely as possible.

The power and telephone outages over the past few months have been extremely frustrating for us all and I have been talking to Western Power and Telstra to strongly advocate on behalf of the Corrigin community for a solution to the constant service failures we have been experiencing in Corrigin. I have invited Telstra and Western Power to our next Local Emergency Management Committee meeting to express our concerns at the frequent outages and find out more about their planned improvements.

On a final note, I really enjoyed the Australia Day Breakfast which was a fantastic celebration of what it means to be an Australian. A big thank you to Heather and Pippa from the CRC for organising such a great event and also to the Shire President, Des Hickey, for doing a great job as MC for the event. Thank you also to the amazing Rotary volunteers for cooking the breakfast that was enjoyed by approx. 130 people.

Congratulations to all of the Australia Day Award recipients **who's contribution to the community make Corrigin a great place to live and work.** Our Auspire guest speaker, Graham Edwards, thoroughly enjoyed the event and sent his kind regards to the shire and community for welcoming him to the event.

For any Shire related matters, please contact me on 9063 2203 or email shire@corrigin.wa.gov.au

Des Hickey

Welcome to the New Year ahead of us.

January has gone with all of the changes within our community.

Best wishes for all of our young children who start school for the first time and all of our children who are back at school, all the very best for the year ahead.

This time of the year makes the rest of our community aware of our children getting to school, so please slow down and take care on our roads.

With Australia Day after these notes were written, I wish all of the nominee's for awards the very best and thank the people who spent the time and effort to nominate the people concerned.

We thank Graham Edwards from the Australia Day Council for being our Australia Day Ambassador. Your input is important to our community.

Thankyou to our Rotary Club for preparing the Australia Day Breakfast, a fantastic commitment from within our community, and thankyou to Heather Ives and staff for their input into the day. Well Done.

We start February with many families who have been away on holidays and some still away, and I hope you are well rested and ready for the year ahead.

*“If you have any problems or solutions to be discussed,
please feel free to contact any of the councillors,
or directly to our CEO Mrs Manton”.*

Asbestos Disposal

Do you need to dispose of some material which contains asbestos, or suspected asbestos containing materials?

You are able to dispose of asbestos containing materials at the Shire of Corrigin's Waste Management Facility:

- If you have pre-booked a disposal appointment with John (site operator) or the Shire office; and
- On Saturdays only

If you are transporting asbestos to the facility for disposal the load must be:

- Non-friable asbestos, meaning it must be bonded asbestos; and
- Separated from other waste; and
- Double wrapped in heavy duty plastic (200 µm minimum thickness), with all edges fully sealed by appropriate tape; and
- Labelled ASBESTOS on the package

The above requirements are essential when presenting to the facility with your load, otherwise a \$1000 fine may apply.

To ensure that you are able to unload safely at the facility, as a minimum requirement please ensure:

- that smaller packages are able to be lifted, or
- if they are large and heavy, they must be on pallets so they can be forklifted from your trailer with a loader.
- consider using a licenced asbestos removalist if large quantities (>10m³) are being considered for removal.

The cost of disposal is \$75 per cubic metre or part thereof.

For more information on the facility opening times and days, and contact details please refer to the Shire's website, Facebook page or Corrigin Waste Collection 2020 Calendar, which you will receive in the mail, or can pick up from the Shire office.

If you have any queries, please contact Lauren Pitman at the Shire office on (08) 9063 2203.

WEDNESDAY 18 MARCH 2020

MISS B'S PARK

6.00PM – 7.30PM

THE SHIRE OF CORRIGIN, COUNCILLORS & STAFF WOULD LIKE TO EXTEND YOU AN INVITATION TO ATTEND OUR “THANK A VOLUNTEER” 2020 EVENT. THE EVENING IS A CHANCE FOR ALL VOLUNTEERS TO GET TOGETHER AND BE RECOGNISED FOR THE EFFORTS THEY PUT INTO THE CORRIGIN COMMUNITY THROUGH VARIOUS ORGANISATIONS. WE ENCOURAGE YOU TO COME ALONG AND MEET NEW RESIDENTS, COUNCILLORS, BUSINESS OWNERS AND THE MANY WONDERFUL VOLUNTEERS THAT MAKE OUR TOWN TICK.

PLEASE RSVP TO CORRIGIN CRC
P: 9063 2778 OR E: CORRIGIN@CRC.NET.AU
