your local connection

CEO's Corner

I have been fortunate to have been out of the office and visiting various towns across the wheatbelt lately. It has been a great opportunity to gain new ideas and see how other communities have dealt with issues or overcome problems.

As always, it is nice to come home and be reminded of the great place that Corrigin is to live and work. It has been nice to receive feedback that the town is looking great and presents a welcoming and friendly face to visitors.

Hidden Assets

The COVID 19 pandemic has seen us become more focussed on our local and state bubble and it has forced us to change our perspective on many aspects of our life including what we value, where we work, how we holiday.

We are now looking closer to home for work, recreation and holidays.

Our fellow West Australians have been out in force with a steady stream of caravan and campers visiting the wheatbelt and admiring our natural wonders. Wildflowers, rocky outcrops, crops ready to harvest and vast night skies. It has been a welcome boost to our local tourism and hospitality businesses.

This has got me thinking about the human wonders we have in our community and the wonderful people we have in our communities. I have also been thinking about the hidden talents that might be in our community **that we don't even know about, or are** yet to discover. Who are our budding artists, authors or entrepreneurs? Who are our woodworkers, photographers, scientists or computer programmers?

What opportunities might be just waiting to be unveiled if only we know what talents we had right under our noses.

So while we are still in these strange COVID-19 times now might be just the right time to share your talents in your local community, and see where it takes you, and how we can benefit our local community.

Caravan Park

This week we farewelled John and Gwenda Reynolds and welcomed Trevor and Mareese Dyer as the new operators of the Corrigin Caravan Park. In addition to the changes in management, the caravan park is

about to undergo some renovations and we are looking forward to starting work very soon on a new ablution block.

There will be quite a bit of disruption over the next few months but future visitors to the park will enjoy much better facilities and hopefully the word will spread quickly that Corrigin is a great place to visit.

Road Funding Bonus

The CEO, Manager of Works and Leading Hand Construction attended a workshop for local governments involved in the Wheatbelt Secondary Freight Network Project Stage 1 Priority Projects on Thursday 3 September 2020 at Jurien Bay. The Shire of Corrigin recently received confirmation that the Rabbit Proof Fence has been approved for \$2.5m funding in the coming year. The purpose of the meeting was to understand the road design standards and expectations as well as the indicative budget and technical aspects of the project. Following the meeting a site inspection was held on the Jurien East Road Project to gain an appreciation of the magnitude of the scope and plant that will be required for future projects.

Please contact me on 9063 2203 or email shire@corrigin.wa.gov.au if you have any questions or queries.

Spring is certainly upon us with the abundance of wildflowers and the start of the hay fever season for many. We have noticed the lack of rain for the start of Spring, but there is nothing we can do but make the most of what we have. This has enhanced the start of the hay season for many.

Last week I travelled through the northern wheatbelt back roads to see a picture of wildflowers and beautiful crops, but the outstanding exhibit was a line of Wreath Flowers on the side of the road between Goodlands and Wubin.

With the end of the winter brings an end to the winter grading (maintenance) programme. This has been enhanced by the maintenance crew to improve the way our roads are delivered to the public. Well done to the works crew and as we know the programme is a large commitment to be done during the winter, we still have a distance to go to improve our road surface to the required profile.

Part of the new legislation for councillors is that they are required to complete Councillors training. It is very pleasing to see the councillors are very close to completing all of the modules required, a commitment that has taken many hours at home and in council chambers to complete.

The State Emergency Relief Committee (SERC) has developed a range of promotional resources for the purpose of generating community awareness of how to access financial counselling and emergency relief. The State Government has also announced Incentives for Seasonal Work in Regions. If you require any further information on either of these programmes please contact the Shire office for further information.

Until our next line of notes, stay safe and enjoy our wonderful community.

CORRIGIN TOWN HALL REOPENS

In October last year our historic Town Hall was closed for some much needed restoration work to the ceiling and cracking throughout the hall and stage area. Now that the building works have been completed, the hall, foyer and toilets painted, floorboards oiled and new lighting installed, we are pleased to be able to reopen the Corrigin Town Hall back up to the community. It's great to see the Badminton players and little Ballerinas already putting it to good use. Contact the Shire office on 9063 2203 for any function and event bookings or visit the website www.corrigin.wa.gov.au

WELCOME TO THE CORRIGIN CARAVAN PARK

On the 22 September we saw the handover and signing of a 3 year lease between the Shire and new managers, Trevor and Mareese Dyer. Over the last 15 years the Corrigin Caravan Park has been managed and operated by long-time locals John and Gwen Reynolds, who have enjoyed welcoming visitors to our town since 2005. We thank them for their years of dedication and commitment. Both are looking forward to slowing down and having more time to relax, get a few jobs done around the house and perhaps take up bowls! Mareese and Trevor said they are excited about their new venture and the opportunity to meet people and promote Corrigin and the region. With the Shire to start building a new Caravan Park ablution block and amenities very soon, we look forward to welcoming more travellers when they #WanderOutYonder

TOURISTS WOWED BY CORRIGIN WILDFLOWER DRIVE

We love receiving great feedback about our local attractions. Recent visitors Jon and Linley Dodd were kind enough to share their experience with us.

"We visited Corrigin a few weeks ago and were amazed at the wonderful variety of wildflowers, including everlastings and a number of different orchids we saw along the wildflower drive and around the rifle range and on some of the road verges! They are a real asset to the Shire and a treasure to the State. The guide is extremely useful to the wildflower gurus and the casual tourists. Robin Campbell and the Corrigin Community Resource Centre deserve congratulations on this production. Since visiting we have recommended a number of friends to include Corrigin as a stop on their way to Hyden and other more advertised attractions, to check out the wild flowers. We consider you could use the wildflowers more, as a tourist attraction. We look forward to future visits."

TIDY TOWNS AWARDS 2020 ENTRANT

From March until November dedicated Corrigin Tidy Towns members generously volunteer their time to help keep our town always looking beautiful, with regular roadside clean-ups and busy bees. As the Shire committed to undertake a number of main street upgrades and general improvements to the townsite and outlying attractions over the last 12 months, it seemed a fitting year for Corrigin to enter the Keep Australia Beautiful WA Tidy Town Sustainable Communities Awards 2020. Judges visited us on Thursday 24 September to **assess our local initiatives in the 'General Appearance' and 'Community Action & Wellbeing' categories** and we escorted them around our amazing town and community.

If you aspire to a litter free WA and are interested in getting involved with the Corrigin Tidy Towns, simply join the friendly volunteers for a couple of hours at a Sunday morning busy bee, more helpers and hands are always very welcome!

ADULT LEARNERS WEEK 2020

Thank you to everyone that came along to the Kokedama Workshop during Adult Learners Week at the Corrigin CRC on Wednesday 2nd September, especially Rachel from Birds of Minerva (and her able assistant Brady). They did a wonderful job teaching everyone the art of how to make Kokedamas and a big mess.! #ALW2020

THE CORRIGIN WILDFLOWER DRIVE NEW SIGNAGE

Spring is the perfect time to take a trip along the Corrigin Wildflower Drive and see the vast array of beautiful and unusual wildflowers and orchids out on show at the moment. The entrance is located opposite the Corrigin Dog Cemetery, 5km west of town and is clearly marked with new information signage. The drive takes you on a one way track through the nature reserve and up to the Scenic Lookout, with panoramic views of surrounding farms and bushland. With warmer weather here, why not plan to take a look this weekend.

WORK PLACE LEARNING AT THE CORRIGIN CRC

During September, Emma Valli participated in Work Place Learning at the Corrigin CRC. Emma helped us with a variety of office administration tasks and we enjoyed having her here. We wish Emma all the best.

MAIN STREET REFRESH FOR ALL TO ENJOY

You may have noticed that the main street has recently undergone a **refresh so we're ready for visitors and tourists during the spring** wildflower season. Buildings have received a face-lift and gardens rejuvenated, providing a warm welcoming atmosphere. The new planter boxes, benches, bollards and bins have received many positive comments from locals and visitors. It's great to see the new trees bursting into flower and we look forward to the usual colourful display in the Lawton Rose Garden.

Corrigin Swimming Pool Filtration System Upgrade

While replacing parts in the 50 year old filtration system at the Corrigin Swimming Pool, the main filter and pipes were found to be more damaged than expected and require a major upgrade to a more advanced and efficient system.

The work to install new sand filters, pump, chlorinator and piping will commence in early October and take approximately four weeks to complete. Unfortunately the opening date of the 50m pool is likely to be delayed until mid-November, a little later than usually scheduled.

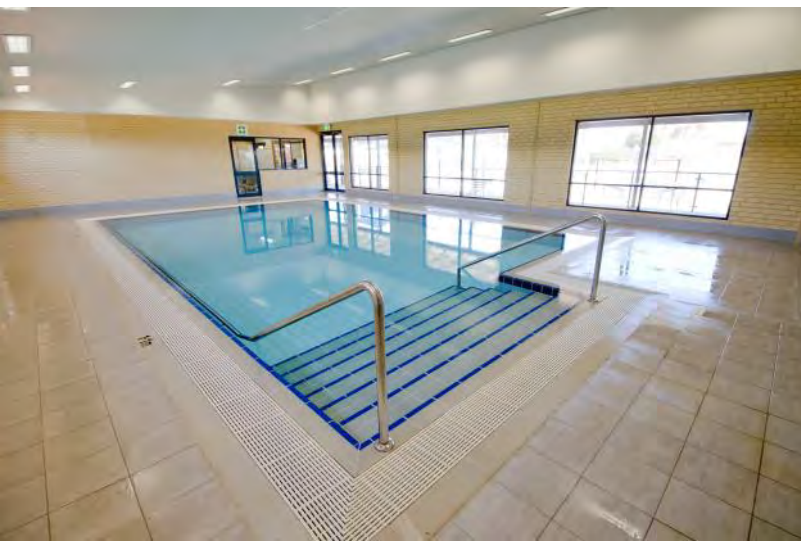

The indoor heated pool is still open as usual and we will keep you updated on the progress of the new filtration system for the outdoor pool.

Dog and Cat Registrations are now due...

Don't forget that all dogs and cats must be registered with your local Shire. In addition to avoiding potential fines, registered pets can be more quickly reunited with their owners if they become lost. If you haven't already done so, call into the Shire office to pay your pet registration fees. All pets must be registered before 31 October 2020.

- Under the *Dog Act 1976*, all dogs over 3 months of age must be microchipped and registered before 31 October. Your dog will be required to wear a collar and registration tag, to ensure easy identification and return to you if they become lost.
- Under the *Cat Act 2011*, all cats over the age of 6 months of age must be sterilised, microchipped and registered before 31 October. Your cat will be required to wear a collar & registration tag, to ensure easy identification and return to you if they become lost.

- Proof of sterilisation along with microchipping details must be presented when registering your pet(s)
- On the spot fines can be issued for failing to register, microchip or sterilise your pet(s)
- On the spot fines of \$100 per offence can be issued for noncompliance under the "Acts".

Further information on [Responsible Dog & Cat Ownership](#) is available on the Shire of Corrigin website or contact the Shire office on 9063 2203.

Australia Day Awards promote national pride, community responsibility and participation.

We're all part of the story

Auspire – Australia Day Council WA presents the Community Citizen of the Year

Your local government invites you to nominate an outstanding individual or group for one of this year's Community Citizen of the Year Awards to be presented on Australia Day 26 January. The awards foster, recognise and celebrate significant contributions to community life and active citizenship in all local government areas of Western Australia. His Excellency the Governor of Western Australia is the Patron and signatory for the awards.

Guidelines and criteria

Each year three local citizens and one local community group in each local government area will be eligible for the Community Citizen of the Year Awards. The recipients will be selected from people and groups who have made a noteworthy contribution during the current year or given outstanding service to the local community over a number of years through active involvement.

Auspire - Australia Day Council WA provides four awards each year for presentation in each local government area. These prestigious awards are provided to your local government for presentation during Australia Day celebrations.

Nomination Process

Your local government invites nominations for the awards from community groups and private citizens. At the council's discretion, a committee comprised of people from community organisations and citizens, will be appointed to encourage and promote nominations. The committee or your local council may also make nominations based on local knowledge and experience.

Nominations open on 1 September and close on 31 October and can be received in hard copy on the original nomination form or online at www.citizenshipawards.com.au.

Nominations received after the closing date will be ineligible for this year's awards.

Selection Criteria

The winners will have been judged to have shown active citizenship and:

- Significant contribution to the local community.
- Demonstrated leadership on a community issue resulting in the enhancement of community life.
- A significant initiative which has brought about positive change and added value to community life.
- Inspiring qualities as a role model for the community.

Eligibility criteria

- Nominees should reside or work principally within the local authority making the award.
- Awards may be granted posthumously in recognition of recent achievements.
- Groups of people or couples will not normally be eligible except when meeting the criteria for a community group.
- A person may receive an award on more than one occasion in recognition of their particularly outstanding community contribution or involvement in an alternative initiative.
- Unsuccessful nominees may be nominated in future years.
- Nominations must be apolitical in their nature and should not in any way bring the awards program or local government area into disrepute.
- Sitting members of State, Federal and Local Government are not eligible.

The four award categories

- | Community Citizen of the Year
- | Community Citizen of the Year (Senior)
- | Community Citizen of the Year (Youth)
- | Active Citizen Award (Group or Event)

Nominations NOW OPEN

Nomination for:

- ☐ Community Citizen of the Year
- ☐ Community Citizen of the Year – Youth (under 25)
- ☐ Community Citizen of the Year – Senior (65 years or over)
- ☐ Active Citizenship Award (for a community group or event)

The Community Citizen of the Year Awards is a registered program of Auspire – Australia Day Council WA
