GLOSSARY OF TERMS

For additional information in regards to the Glossary of Terms, refer to the current Emergency Management Western Australia Glossary

COMBAT AGENCY – A public authority, or other person, may be prescribed by the regulations to be a Combat Agency who or which, because of the agency’s functions under any written law or specialized knowledge, expertise and resources, is responsible for performing an emergency management activity prescribed by the regulations in relation to that agency [s.6(2) of the EM Act].

A Combat Agency undertakes response tasks at the request of the Controlling Agency in accordance with their legislative responsibilities or specialised knowledge.

COMMUNITY EMERGENCY RISK MANAGEMENT – See **RISK MANAGEMENT**.

COMPREHENSIVE APPROACH – The development of emergency and disaster arrangements to embrace the aspects of prevention, preparedness, response, and recovery (PPRR). PPRR are aspects of emergency management, not sequential phases. *Syn.* ‘disaster cycle’, ‘disaster phases’ and ‘PPRR’

CONTROLLING AGENCY – an agency nominated to control the response activities to a specified type of emergency.

COORDINATION – The bringing together of organisations and elements to ensure an effective response, primarily concerned with the systematic acquisition and application of resources (organisation, manpower and equipment) in accordance with the requirements imposed by the threat or impact of an emergency. Coordination relates primarily to resources, and operates, vertically, within an organisation, as a function of the authority to command, and horizontally, across organisations, as a function of the authority to control. *See also CONTROL and COMMAND.*

DISTRICT – means an area of the State that is declared to be a district under section 2.1 *Local Government Act 1995*.

EMERGENCY – An event, actual or imminent, which endangers or threatens to endanger life, property or the environment, and which requires a significant and coordinated response.

EMERGENCY MANAGEMENT – The management of the adverse effects of an emergency including:

- (a) Prevention – the mitigation or prevention of the probability of the occurrence of and the potential adverse effects of an emergency.
- (b) Preparedness – preparation for response to an emergency

- (c) Response – the combating of the effects of an emergency, provision of emergency assistance for casualties, reduction of further damage and help to speed recovery and
- (d) Recovery – the support of emergency affected communities in the reconstruction and restoration of physical infrastructure, the environment and community, psychosocial and economic wellbeing.

EMERGENCY MANAGEMENT AGENCY – A hazard management agency (HMA), a combat agency or a support organisation as prescribed under the provisions of *the Emergency Management Act 2005*.

EMERGENCY RISK MANAGEMENT – A systematic process that produces a range of measures which contribute to the well-being of communities and the environment.

HAZARD

- (a) a cyclone, earthquake, flood, storm, tsunami or other natural event
- (b) a fire
- (c) a road, rail or air crash
- (d) a plague or an epidemic
- (e) a terrorist act as defined in The Criminal Code section 100.1 set out in the Schedule to the *Criminal Code 1995* of the Commonwealth
- (f) any other event, situation or condition that is capable or causing or resulting in
 - (i) loss of life, prejudice to the safety or harm to the health of persons or animals or
 - (ii) destruction of or damage to property or any part of the environment and is prescribed by *Emergency Management Regulations 2006*

HAZARD MANAGEMENT AGENCY (HMA) – A public authority or other person, prescribed by regulations because of that agency’s functions under any written law or because of its specialised knowledge, expertise and resources, to be responsible for the emergency management or an aspect of emergency management of a hazard for a part or the whole of the State.

INCIDENT – An event, accidentally or deliberately caused, which requires a response from one or more of the statutory emergency response agencies.

INCIDENT SUPPORT GROUP (ISG) – A group of agency/organisation liaison officers convened and chaired by the Incident Controller to provide agency specific expert advice and support in relation to operational response to the incident.

LIFELINES – The public facilities and systems that provide basic life support services such as water, energy, sanitation, communications and transportation. Systems or networks that provide services on which the well-being of the community depends.

LOCAL EMERGENCY COORDINATOR (LEC) - That person designated by the Commissioner of Police to be the Local Emergency Coordinator with responsibility for ensuring that the roles and functions of the respective Local Emergency Management Committee are performed, and assisting the Hazard Management Agency in the provision of a coordinated multi-agency response during *Incidents* and *Operations*.

LOCAL EMERGENCY MANAGEMENT COMMITTEE (LEMC) – means a committee established under section 38 of the *Emergency Management Act 2005*

MUNICIPALITY – Means the district of the Insert Local Government Name Here..

OPERATIONAL AREA (OA) – The area defined by the Operational Area Manager for which they have overall responsibility for the strategic management of an emergency. This area may include one or more Incident Areas.

PREVENTION – Regulatory and physical measures to ensure that emergencies are prevented, or their effects mitigated. Measures to eliminate or reduce the incidence or severity of emergencies. *See also* **COMPREHENSIVE APPROACH**.

PREPAREDNESS – Arrangements to ensure that, should an emergency occur, all those resources and services which are needed to cope with the effects can be efficiently mobilised and deployed. Measures to ensure that, should an emergency occur, communities, resources and services are capable of coping with the effects. *See also* **COMPREHENSIVE APPROACH**.

RESPONSE – Actions taken in anticipation of, during, and immediately after an emergency to ensure that its effects are minimised and that people affected are given immediate relief and support. Measures taken in anticipation of, during and immediately after an emergency to ensure its effects are minimised. *See also* **COMPREHENSIVE APPROACH**.

RECOVERY – The coordinated process of supporting emergency-affected communities in reconstruction of the physical infrastructure and restoration of emotional, social, economic and physical well-being.

RISK – A concept used to describe the likelihood of harmful consequences arising from the interaction of hazards, communities and the environment.

- The chance of something happening that will have an impact upon objectives. It is measured in terms of consequences and likelihood.
- A measure of harm, taking into account the consequences of an event and its likelihood. For example, it may be expressed as the likelihood of death to an exposed individual over a given period.
- Expected losses (of lives, persons injured, property damaged, and economic activity disrupted) due to a particular hazard for a given area and reference period. Based on mathematical calculations, risk is the product of hazard and vulnerability

RISK MANAGEMENT – The systematic application of management policies, procedures and practices to the tasks of identifying, analysing, evaluating, treating and monitoring risk.

RISK REGISTER – A register of the risks within the local government, identified through the Community Emergency Risk Management process.

RISK STATEMENT – A statement identifying the hazard, element at risk and source of risk.

SUPPORT ORGANISATION – A public authority or other person who or which, because of the agency's functions under any written law or specialized knowledge, expertise and resources is responsible for providing support functions in relation to that agency.

TREATMENT OPTIONS – A range of options identified through the emergency risk management process, to select appropriate strategies' which minimize the potential harm to the community.

VULNERABILITY – The degree of susceptibility and resilience of the community and environment to hazards. *The degree of loss to a given element at risk or set of such elements resulting from the occurrence of a phenomenon of a given magnitude and expressed on a scale of 0 (no damage) to 1 (total loss).

WELFARE CENTRE – Location where temporary accommodation is actually available for emergency affected persons containing the usual amenities necessary for living and other welfare services as appropriate.

PART 1 – INTRODUCTION

1.1 Authority

These arrangements have been prepared in accordance with s. 41(1) of the *Emergency Management Act 2005* and endorsed by the Corrigin Local Emergency Management Committee and approved by the Shire of Corrigin Council.

1.2 Community Consultation

These Arrangements have been developed in consultation with the Corrigin Local Emergency Management Committee which includes local community representation. These Arrangements have been adopted by the Corrigin Shire Council as representatives of the community.

1.3 Document Availability

Copies of the Local Emergency Management Arrangements are available from the Shire of Corrigin website – www.corrigin.wa.gov.au

A hard copy is available on request from the Shire of Corrigin Offices, 9 Lynch Street, Corrigin during normal office hours – Monday – Friday 8.30am-4.30pm.

1.4 Area Covered (Context)

Corrigin is a progressive rural community situated in the heart of the Wheatbelt only 234km south east of Perth. Corrigin enjoys a relaxed country lifestyle and has access to many services and facilities including recreational, educational, health and professional.

| | |
|---------------------|--|
| Area of Shire | 3095 square kilometers |
| Population | 1145 |
| Distance from Perth | 234km |
| Annual revenue | \$8.9 million |
| No. of Dwellings | 568 |
| Length of roads | 405km sealed 767km unsealed |
| Localities | Bullaring, Bulyee, Bilbarin, Corrigin |
| Local Industry | Farming (wheat, sheep etc), steel fabrication, machinery sales and service |

1.5 Aim

The aim of the Shire of Corrigin Local Emergency Management Arrangements is to set out a framework for all hazards emergency management.

1.6 Purpose

The purpose of these emergency management arrangements is to set out:

- a) the local government’s policies for emergency management;
- b) the roles and responsibilities of public authorities and other persons involved in emergency management in the local government district;
- c) provisions about the coordination of emergency operations and activities relating to emergency management performed by the persons mentioned in paragraph b);
- d) a description of emergencies that are likely to occur in the local government district;
- e) strategies and priorities for emergency management in the local government district;
- f) other matters about emergency management in the local government district prescribed by the regulations; and
- g) other matters about emergency management in the local government district the local government considers appropriate”. (s. 41(2) of the Act).

1.7 Scope

These arrangements are to ensure the community is prepared to deal with the identified emergencies should they arise. It is not the intent of this document to detail the procedures for HMA’s in dealing with an emergency. These should be detailed in the HMA’s individual plan. Furthermore:

- a) This document applies to the local government district of the Shire of Corrigin;
- b) This document covers areas where the Shire of Corrigin (Local Government) provides support to HMA’s in the event of an incident;
- c) This document details the Shire of Corrigin’s capacity to provide resources in support of an emergency, while still maintaining business continuity; and
- d) The Shire Corrigin’s responsibility in relation to recovery management.

These arrangements are to serve as a guide to be used at the local level. Incidents may arise that require action or assistance from district, state or federal level.

1.8 Related Documents & Arrangements

1.8.1 Local Emergency Management Policies

The Shire of Corrigin has established the Corrigin Local Emergency Management Committee to advise and assist the Shire with the establishment and maintenance of the Local Emergency Management Arrangements.

1.8.2 Existing Plans & Arrangements

| Document | Owner | Location | Date |
|---|-------------------------------|----------|------|
| Business Continuity Plan | Corrigin District Hospital | Hospital | |
| Emergency & Critical Incident Management Plan | Corrigin District High School | School | |
| Wogerlin House | | | |

1.9 Agreements, Understandings & Commitments

Table 1.2

| Parties to the Agreement | Summary of the Agreement | Special Considerations |
|--|---------------------------------|-------------------------------|
| Shires of Corrigin, Bruce Rock, Kondinin and Narembeen | Assistance in a major emergency | |

1.10 Special Considerations

During the following events and time, Controlling Agencies need to give consideration to the increase in population and/or risk;

- Corrigin Show – September each year, approach 1500 additional people visit Corrigin
- Bi-Annual Motor Show – 3rd week in March – 2015, 2017 etc.
- Bushfire Season – November to April each year

1.11 Resources

A resource list is found at appendix 5.

1.12 Roles & Responsibilities

Local Emergency Coordinator

The Local Emergency Coordinator is appointed by the State Emergency Coordinator. The Local Emergency Coordinator for the Shire of Corrigin is the Officer-in-Charge of Corrigin Police Station.

The local emergency coordinator for a local government district has the following functions [s. 37(4) of the Act]:

- a) to provide advice and support to the LEMC for the district in the development and maintenance of emergency management arrangements for the district;
- b) to assist hazard management agencies in the provision of a coordinated response during an emergency in the district; and
- c) to carry out other emergency management activities in accordance with the directions of the State Emergency Coordinator.

1.13 Local Government

It is a function of a local government —

- a) subject to this Act (Emergency Management Act), to ensure that effective local emergency management arrangements are prepared and maintained for its district;
- b) to manage recovery following an emergency affecting the community in its district; and
- c) to perform other functions given to the local government under this Act (Emergency Management Act).

These functions include (but not limited to;) administrating the LEMC in accordance with SEMP 2.5, completing an annual report & annual business plan in accordance with SEMP 2.6 and establishing and maintaining the local emergency management arrangements which includes a local recovery plan.

1.14 LEMC Executive Officers:

Provide executive support to the LEMC by:

- a) Ensuring the provision of secretariat support including:
 - Meeting agenda;
 - Minutes and action lists;
 - Correspondence;
 - Maintain committee membership contact register;
- b) Coordinate the development and submission of committee documents in accordance with legislative and policy requirements including;
 - Annual Report;
 - Annual Business Plan;
 - Maintenance of Local Emergency Management Arrangement;
- c) Facilitate the provision of relevant emergency management advice to the Chair and committee as required; and
- d) Participate as a member of sub committees and working groups as required;

1.15 Local Emergency Management Committee

The Shire of Corrigin has established a Local Emergency Management Committee (LEMC) under section 38(1) of the *Emergency Management Act 2005* to oversee, plan and test the local emergency management arrangements.

The LEMC includes representatives from agencies, organisations and community groups that are relevant to the identified risks and emergency management arrangements for the community.

The LEMC is not an operational committee but rather the organisation established by the local government to ensure that local emergency management arrangements are written and placed into effect for its district.

The LEMC membership should include at least one local government representative and the identified Local Emergency Coordinator (LEC). Relevant government agencies and other statutory authorities will nominate their representatives to be members of the LEMC.

The term of appointment of LEMC members shall be determined by the local government in consultation with the parent organisation of the members.

The functions of LEMC are [s. 39 of the Act]:

- a) To advise and assist the local government in establishing local emergency managements for the district;
- b) to liaise with public authorities and other persons in the development, review and testing of the local emergency management arrangements; and
- c) to carry out other emergency management activities as directed by SEMC or prescribed by regulations.

Other Functions of the LEMC

Various State Emergency Management Plans (WESTPLANS) and State Emergency Management Policies (SEMP) place responsibilities on LEMC's. The below identified functions relate to areas not covered in other areas of these arrangements.

- a) The LEMC should provide advice and assistance to communities that can be isolated due to hazards such as cyclone or flood to develop a local plan to manage the ordering, receiving and distributing of essential supplies. (WESTPLAN - Freight subsidy Plan)
- b) The LEMC may provide advice and assistance to the SES and FESA to develop a Local Tropical Cyclone Emergency Plan. (WESTPLANS – Cyclone, Flood and Tsunami)

1.16 Controlling Agency

A Controlling Agency is an agency nominated to control the response activities to a specified type of emergency.

The function of a Controlling Agency is to;

- to undertake all responsibilities as prescribed in Agency specific legislation for Prevention and Preparedness.
- to control all aspects of the response to an incident.
- During Recovery the Controlling Agency will ensure effective transition to Recovery by Local Government.

1.17 Hazard Management Agency

A hazard management agency is *'to be a public authority or other person who or which, because of that agency's functions under any written law or specialised knowledge, expertise and resources, is responsible for emergency management, or the prescribed emergency*

management aspect, in the area prescribed of the hazard for which it is prescribed.' [EM Act 2005 s4]

The HMA's are prescribed in the Emergency Management Regulations 2006.

Their function is to:

- Undertake responsibilities where prescribed for these aspects [EM Regulations]
- Appointment of Hazard Management Officers [s55 Act]
- Declare / Revoke Emergency Situation [s 50 & 53 Act]
- Coordinate the development of the Westplan for that hazard [SEMP 2.2]
- Ensure effective transition to recovery by Local Government

1.18 Combat Agencies

A combat agency as prescribed under subsection (1) of the *Emergency Management Act 2005* is to be a public authority or other person who or which, because of the agency's functions under any written law or specialised knowledge, expertise and resources, is responsible for performing an emergency management activity prescribed by the regulations in relation to that agency.

(EMWA Glossary Version:2011)

1.19 Support Organisation

A Public authority or other person who or which, because of the agency's functions under any written law or specialised knowledge, expertise and resources is responsible for providing support functions in relation to that agency. *(EMWA Glossary Version:2011)*

1.20 Public Authorities

A public Authority is established under section 3 of the Act. Under s35 the SEMC may specify (s35(6) both an area of the State and a public authority to exercise the functions of local government detailed under section 36 of the Act To date, the Rottnest Island Authority is the only agency that has been classed as a 'public authority'.

PART 2 – PLANNING (LEMC ADMINISTRATION)

This section outlines the minimum administration and planning requirements of the LEMC under the EM Act 2005 and policies.

2.1 LEMC Membership

- *Chair – Shire President – Shire of Corrigin*
- *CEO, Shire of Corrigin*
- *OIC Corrigin Police*
- *St John Ambulance Corrigin*
- *Corrigin Red Cross*
- *Corrigin District Hospital*
- *Corrigin Volunteer Fire and Rescue*
- *Corrigin Chief Bushfire Control Officer*
- *Principal Corrigin District High School*

Member names and details are contained with the contact details.

2.2 Meeting Schedule

The Shire of Corrigin LEMC meets at on the third Monday at 2.30pm every 3months, being;

- March
- July
- September
- December

2.3 LEMC Constitution & Procedures (s38(4) EM Act)

Each meeting of the LEMC should consider, but not be restricted to, the following matters, as appropriate:

a) Every meeting:

- i. Confirmation of local emergency management arrangements contact details and key holders;
- ii. Review of any post-incident reports and post exercise reports generated since last meeting;
- iii. Progress of emergency risk management process;
- iv. Progress of treatment strategies arising from emergency risk management process;
- v. Progress of development or review of local emergency management arrangements; and
- vi. Other matters determined by the local government.

b) First quarter:

- i. Development and approval of next financial year LEMC exercise schedule (to be forwarded to relevant DEMC);
- ii. Begin developing annual business plan.

- c) **Second quarter:**
 - i. Preparation of LEMC annual report (to be forwarded to relevant DEMC for inclusion in the SEMC annual report);
 - ii. Finalisation and approval of annual business plan.
- d) **Third quarter:**
 - i. Identify emergency management projects for possible grant funding.
- e) **Fourth quarter:**
 - i. National and State funding nominations.

2.3.1 Additional Procedures

Nil

2.4 Annual Reporting

The annual report of the LEMC is to be completed and submitted to the DEMC within 2 weeks of the end of the financial year for which the annual report is prepared. The LEMC is required to submit a signed hard copy of the annual report to the Executive Officer of the DEMC.

The LEMC annual report is to contain, for the reporting period:

- a) a description of the area covered by the LEMC,
- b) a description of activities undertaken by it, including;
 - i. the number of LEMC meetings and the number of meetings each member, or their deputy, attended,
 - ii. a description of emergencies within the area covered by the LEMC involving the activation of an Incident Support Group (ISG),
 - iii. a description of exercises that exercised the local emergency management arrangements for the area covered by the LEMC,
 - iv. the level of development of the local emergency management arrangements for the area covered by the LEMC (e.g. draft, approved 2007, under review, last reviewed 2007),
 - v. the level of development of the local recovery plan for the area covered by the LEMC,
 - vi. the progress of establishing a risk register for the area covered by the LEMC, and
 - vii. a description of major achievements against the LEMC Annual Business Plan.
- c) the text of any direction given to it by:
 - i. the local government that established it.
- d) the major objectives of the annual business plan of the LEMC for the next financial year

2.5 The Annual Business Plan

State Emergency Management Policy 2.5 'Annual Reporting' provides each LEMC will complete and submit to the DEMC an annual report at the end of each financial year. One of the requirements of the Annual Report is to have a Business Plan. (SEMP 2.6 s25 (b)(vii) & s25(d)). From time to time the SEMC will establish a template Annual Business Plan for use by LEMC's.

A copy of the Annual Business Plan is available on request from the Executive Officer.

2.6 Emergency Risk Management

The Shire of Corrigin has not recently undertaken the emergency risk management process.

PART 3 – SUPPORT TO RESPONSE

3.1 Risks – Emergencies Likely to Occur

Table 3.1

| Hazard | Controlling Agency | HMA | Local Combat Role | Local Support Role | WESTPLAN | Local Plan (Date) |
|---------------|---------------------------|------------|------------------------------|---------------------------|-----------------|--------------------------|
| Bushfire | Shire, DEC, FESA | FESA | Bushfire Brigades, DEC, FESA | | Bushfire | |
| Storm | FESA | FESA | Kondinin or Kulin VES | | Storm | |
| Road Crash | WA Police | WA Police | Corrigin VFRS | Corrigin SJA | Road Crash | |
| HazMat | FESA | FESA | Corrigin VFRS | | HazMat | |
| Flood | FESA | FESA | Kondinin or Kulin VES | | Flood | |
| Air Crash | WA Police | WA Police | Corrigin VFRS | Corrigin SJA | Air Crash | |

These arrangements are based on the premise that the Controlling Agency is responsible for the above risks will develop, test and review appropriate emergency management plans for their hazard.

It is recognised that the HMA's and Combat agencies may require Shire of Corrigin resources and assistance in emergency management.

3.2 Incident Support Group (ISG)

The ISG is convened by the HMA or the Local Emergency Coordinator in consultation with the HMA to assist in the overall coordination of services and information during a major incident. Coordination is achieved through clear identification of priorities by agencies sharing information and resources.

Role

The role of the ISG is to provide support to the incident management team. The ISG is a group of people represented by the different agencies who may have involvement in the incident.

Triggers for an ISG

The triggers for an incident support group are defined in State Emergency Management Policy 4.1 'Operational Management'. These are;

- a) where an incident is designated as "Level 2" or higher;
- b) multiple agencies need to be coordinated.

Membership of an ISG

The Incident Support Group is made up of agencies /representatives that provide support to the Controlling Agency. Emergency Management Agencies may be called on to be liaison officers on the Incident Support Group. As a general rule, the recovery coordinator should be a member of the ISG from the onset, to ensure consistency of information flow and transition into recovery. The representation on this group may change regularly depending upon the nature of the incident, agencies involved and the consequences caused by the emergency.

Agencies supplying staff for the ISG must ensure that the representative(s) have the authority to commit resources and/or direct tasks.

Frequency of Meetings

Frequency of meetings will be determined by the Incident Controller and will generally depend on the nature and complexity of the incident. As a minimum, there should be at least one meeting per or incident. Coordination is achieved through clear identification of priorities and goals by agencies sharing information and resources.

Location of ISG Meetings

The Incident Support Group meets during an emergency and provides a focal point for a coordinated approach. The following table identifies suitable locations where they can meet within the District.

Location One

Shire of Corrigin

9 Lynch Street, Corrigin

| | Name | Phone | Phone |
|-------------------------|--|-----------|--------------|
| 1 st Contact | CEO | 9063 2203 | 0427 425 727 |
| 2 nd Contact | Executive Manager Corporate & Community Services | 9063 2203 | 0429 632 049 |

Location Two

Corrigin Volunteer Fire & Rescue Station

| | Name | Phone | Phone |
|-------------------------|-----------------|--------------|-------|
| 1 st Contact | Dino DiFulvio | 0428 632 149 | - |
| 2 nd Contact | Gerald Williams | 0487 321 067 | - |

3.3 Media Management and Public Information.

Communities threatened or impacted by emergencies have an urgent and vital need for information and direction. Such communities require adequate, timely information and instructions in order to be aware of the emergency and to take appropriate actions to safeguard life and property. **The provision of this information is the responsibility of the HMA.** This is achieved through the Incident Management Team position of ‘Public Information Officer’ as per the AIIMS Structure.

Public Warning Systems

During times of an emergency one of the most critical components of managing an incident is getting information out to the public in a timely and efficient manner. This section highlights local communication strategies.

Local Systems

The Shire of Corrigin has a number of local communication / information supply systems available for use. All facilities are accessible by contacting the Shire of Corrigin – details are in the contact list.

- SMS service
- Email database
- Shire Facebook account
- Harvest Ban Hotline (phone message may be modified)
- Windmill News –local paper published fortnightly
- School News – local school newsletter published weekly
- ABC Radio – broadcasts on 558am

3.4 Critical Infrastructure

A list of local infrastructure considered critical to the community is listed in appendix 2.

3.5 Evacuation

‘A range of hazards regularly pose a risk to communities throughout Western Australia. Evacuation of people from an area affected by a hazard is one of the strategies that may be employed by emergency managers to mitigate the potential loss of, or harm to, life. Experience has also shown that the evacuation of residents is not always the optimum solution to managing the risk. Alternatives to evacuation such as to stay and protect and control, or restrict movement should also be considered where appropriate.’ (SEMP 4.7)

Evacuation is a risk management strategy which may need to be implemented, particularly in regards to cyclones, flooding and bush fires. The decision to evacuate will be based on an assessment of the nature and extent of the hazard, the anticipated speed of onset, the number and category of people to be evacuated, evacuation priorities and the availability of resources. These considerations should focus on providing all the needs of those being evacuated to ensure their safety and on-going welfare.

The Controlling Agency will make decisions on evacuation and ensure that community members have appropriate information to make an informed decision as to whether to stay or go during an emergency.

3.5.1 Evacuation Planning Principles

The decision to evacuate will only be made by a Controlling Agency or an authorised officer when the members of the community at risk do not have the capability to make an informed decision or when it is evident that loss of life or injury is imminent.

State Emergency Management Policy 4.7 ‘Community Evacuation’ should be consulted when planning evacuation.

Management

The responsibility for managing evacuation rests with the Controlling Agency. The Controlling Agency is responsible for planning, communicating and effecting the evacuation and ensuring the welfare of the evacuees is maintained. The Controlling Agency is also responsible for ensuring the safe return of evacuees. These aspects also incorporate the financial costs associated with the evacuation unless prior arrangements have been made.

In most cases the WA Police may be the ‘combat agency’ for carrying out the evacuation.

Whenever evacuation is being considered the Department for Child Protection must be consulted during the planning stages. This is because DCP have responsibility under State Arrangements to maintain the welfare of evacuees under Westplan Welfare.

3.6 Special Needs Groups

Within the Shire of Corrigin there are sections of the community that may require assistance during an emergency or evacuation. These are groups of people the controlling agency will need to consider and may need to make special arrangements for during an emergency.

Details of these groups are listed in appendix 2.

3.7 Routes & Maps

A broad map of the Shire and townsite is located in appendix X. It should be noted that at certain times of the year unsealed roads may be closed or restricted due to rainfall in order to reduce the risk of damage to the road.

3.8 Welfare

The Department for Child Protection (DCP) has the role of managing welfare. The Department for Child Protection has a Local Welfare Plan for the Shire of Corrigin which is available from the Department or the Shire of Corrigin.

3.9 Local Welfare Coordinator

The Local Welfare Coordinator is appointed by the DCP District Director to

- a) Establish, chair and manage the activities of the Local Welfare Emergency Committee (LWEC), where determined appropriate by the District Director;
- b) Prepare, promulgate, test and maintain the Local Welfare Plans;
- c) Represent the department and the emergency welfare function on the Local Emergency Management Committee and Local Recovery Committee;
- d) Establish and maintain the Local Welfare Emergency Coordination Centre;
- e) Ensure personnel and organisations are trained and exercised in their welfare responsibilities;
- f) Coordinate the provision of emergency welfare services during response and recovery phases of an emergency; and
- g) Represent the department on the Incident Management Group when required

The Local Welfare Coordinator is identified in the contacts list.

3.10 Local Welfare Liaison Officer

The CEO, Executive Manager, Corporate & Community Services or the Manager, Works & Services will be the local welfare liaison officer. The contact details are in the contact list.

This role will provide assistance to the Local Welfare Centre, including the management of emergency evacuation centres such as building opening, closing, security and maintenance.

3.11 State & National Registration & Enquiry

When a large scale emergency occurs and people are evacuated or become displaced, one of the areas the Department for Child Protection (DCP) has responsibility for is recording who has been displaced and placing the information onto a State or National Register. This primarily allows friends or relatives to locate each other but also has many further applications. Because of the nature of the work involved DCP have reciprocal arrangements with the Red Cross to assist with the registration process.

3.12 Animals (including assistance animals)

There are no animal facilities within the Shire of Corrigin with the exception of the stockyards which could be used for large animals. To access the stockyards contact the CEO or Executive Manager, Corporate & Community Services – details are in the contacts list.

3.13 Welfare Centres

The Local Welfare Plan details arrangements for the provision of welfare support. It highlights the following facilities as welfare centres. For further detail refer to this plan.

| Community | Primary Centre | Address of Centre's | Capacity | Aircon System/Fans | Key Contact |
|-----------------|----------------------|--|----------|--------------------|---|
| Corrigin | Town Hall | Goyder Street, Corrigin | | No | Shire: 90632203 A/Hrs: 0427 425 727 (CEO) |
| | District High School | 53 Lynch Street Corrigin WA 6375 | | Yes | School Ph: 9063 2042 Principal – Mr Ian Hislop 0427 260 201 |
| | Golf Club | Dry Well Road Corrigin | | Yes | 90630100 Greg Humphries 98891022 Kaye Ferrari |

The Corrigin Golf Club is in flood plain area and will flood again, but this building can be used for other incidents.

PART 4 - RECOVERY

Please refer to the Shire of Corrigin Local Recovery Management Plan.

Part 5 - EXERCISING AND REVIEWING

5.1 The Aim of Exercising

Testing and exercising are essential to ensure that the emergency management arrangements are workable and effective for the LEMC. The testing and exercising is also important to ensure that individuals and organisations remain appropriately aware of what is required of them during an emergency response situation.

The exercising of a HMA's response to an incident is a HMA responsibility however it could be incorporated into the LEMC exercise.

Exercising the emergency management arrangements will allow the LEMC to:

- Test the effectiveness of the local arrangements
- Bring together members of emergency management agencies and give them knowledge of, and confidence in, their roles and responsibilities
- Help educate the community about local arrangements and programs
- Allow participating agencies an opportunity to test their operational procedures and skills in simulated emergency conditions
- Test the ability of separate agencies to work together on common tasks, and to assess effectiveness of co-ordination between them.

5.2 Frequency of Exercises

The SEMC Policy No 2.5 – *Emergency Management in Local Government (s45-47)*, and Policy 3.1 'Exercise Management' (s14) requires the LEMC to exercise their arrangements on an annual basis.

5.3 Types of Exercises

Some examples of exercises types include:

- Desktop/Discussion
- A phone tree recall exercise
- Opening and closing procedures for evacuation centres or any facilities that might be operating in an emergency
- Operating procedures of an Emergency Coordination Centre
- Locating and activating resources on the Emergency Resources Register

5.4 Reporting of Exercises

The LEMC should report their exercise schedule to the relevant DEMC by the 1st May each year. The DEMC compiles the reports and send the dates to the Emergency Services Sub-committee to be included in the SEMC Annual Report (ref TP-1 'Annex B').

Once the exercises have been completed they should be reported to the DEMC via the template found at 'appendix C' of State EM Procedure TP-1 'Exercise Management'.(SEMP 3.1 s.23)

5.5 Review of Local Emergency Management Arrangements

The Local Emergency Management Arrangements (LEMA) shall be reviewed and amended in accordance with SEMC Policy No 2.5 – *Emergency Management in Local Government Districts* and replaced whenever the local government considers it appropriate (S.42 of the EM Act).

According to SEMC Policy No 2.5 – *Emergency Management in Local Government Districts*, the LEMA (including recovery plans) are to be reviewed and amended as follows:

- contact lists are reviewed and updated quarterly;
- a review is conducted after training that exercises the arrangements;
- an entire review is undertaken every five (5) years, as risks might vary due to climate, environment and population changes; and
- circumstances may require more frequent reviews.

5.6 Review of Local Emergency Management Committee Positions

The Shire of Corrigin in consultation with the parent organisation of members shall determine the term and composition of LEMC positions.(SEMP 2.5 s20). Note SEMP 2.5 s15-18 inclusive provides a list of recommended members.

5.7 Review of Resources Register

The Executive Officer shall have the resources register checked and updated on an annual basis, but ongoing amendments may occur at any LEMC meeting.

Appendices

Annex 1: Critical Infrastructure

| Item | Location | Description | Owner | Contact Details | Community Impact Description |
|------------------------------|-------------------------|------------------------------|---------------------------|------------------------|---|
| Repeater Towers – Radio & TV | Corrigin Hill | Radio & TV repeater stations | Telstra Optus Shire | 132203 | Loss of communications for emergency responders and issuing warning to public |
| Water Tank | Corrigin Hill | Town water tank | Water Corporation | 131375 | Loss of water to townsite |
| Phone Exchange | Walton Street, Corrigin | Telstra phone exchange | Telstra | 132203 | Loss of phone communications around town |
